

San Diego Water Board Meeting
Action Items
November 9, 2022
(Underlined names are responsible for the action)

Public Forum

In response to video and comments from Coastkeeper on fireworks events in Mission Bay, Board members asked for information about monitoring and debris removal associated with the NPDES permit for discharges from fireworks.

Course of Action: Brandi Outwin-Beals will coordinate an Executive Officer's report.
Hours needed to complete request: 40
Estimated Completion Date: Spring 2023.

Item 6: Resolution in Support of the Strategic Water Quality Assessment Approach for San Diego Bay (Resolution No. R9-2022-0019)

Board members Warren and Olson asked for annual progress reports on implementation of the Strategic Water Quality Assessment Approach.

Course of Action: Wayne Chiu will describe progress when staff updates the Board on activities related to the Healthy Waters Strategy for San Diego Bay.
Hours needed to complete request: 60
Estimated Completion Date: August 2023.
