

San Diego Water Board Meeting
Action Items
December 14, 2022
(Underlined names are responsible for the action)

Item 2: Chair's, Board Members', State Board Liaison's, and Executive Officer's Reports

During State Board Liaison Morgan's update, Chair Cantú asked for a breakdown of the water conservation data for the South Coast area. Liaison Morgan will ask State Water Board staff to provide the data to the Board.

Course of Action: David Gibson coordinated with State Board Liaison Morgan and provided the Board with the requested data.
Hours needed to complete request: 10
Completion Date: December 2022
