

San Diego Water Board Meeting
Action Items
October 11, 2023
(Underlined names are responsible for the action)

Item 4: Teamwork Makes the Dream Work: Sediment Cleanups in San Diego Bay

1. During Item No. 4, Board Member Warren asked staff to look for duplicative monitoring in San Diego Bay and opportunities to reduce monitoring as a result of this assessment.

Course of Action: Wayne Chiu will include this topic in the next internal San Diego Bay Workgroup meeting. An update to the Board will be provided via an Executive Officer's Report.

Hours needed to complete request: 20

Completion Date: February 2024
