

San Diego Water Board Meeting
Action Items
February 14, 2024
(Underlined names are responsible for the action)

Item 2: Chair's, Board Members', State Board Liaison's, and Executive Officer's Reports

During Item No. 2, Board Member Strawn requested additional information regarding the [Summary of Fireworks Shows in the San Diego Region in 2023](#) Executive Officer's Report. Specifically, he asked if there are waste reduction methods that could be used to limit the amount of waste generated at the fireworks shows and how much of the waste recovered is toxic.

Course of Action: James Chhor will provide the additional information to the Board.

Hours needed to complete request: 15

Completion Date: Spring 2024

Item 8: Future Agenda Items

During Item No. 8, Board Member Strawn requested a presentation regarding the annual homeless population surveys that occur in many watersheds in our region. Chair Cantu concurred with this request and asked for the presentation to include information regarding water quality impacts in the areas of identified homeless populations.

Course of Action: Jimmy Smith will coordinate an update at a future Board meeting.

Hours needed to complete request: 80

Completion Date: Summer 2024
