NOTES

- A. GENERAL STATEMENT. The primary duty of the San Diego Water Board is to protect the quality of the waters within the region for all beneficial uses. This duty is implemented by formulation and adoption of water quality plans for specific ground or surface water basins and by prescribing and enforcing requirements on all domestic and industrial waste discharges. Responsibilities and procedures of the Regional Water Quality Control Board come from the State's Porter-Cologne Water Quality Act and the Nation's Clean Water Act.

The purpose of the meeting is for the Board to obtain testimony and information from concerned and affected parties and make decisions after considering the recommendations made by the Executive Officer.

All interested persons may speak at the San Diego Water Board meeting and are expected to orally summarize their written submittals. Testimony should be presented in writing prior to the meeting and only a summary of pertinent points presented orally. Oral testimony (i.e., direct testimony or comment) will be limited in time by the Board Chair (typically 3 minutes for interested persons and no more than 10 minutes for designated parties). A timer may be used, and speakers are expected to honor the time limits.

- B. PROCEDURE FOR CONSENT (UNCONTESTED) CALENDAR (see Cal. Code of Regs., tit. 23, § 647.2) Consent or uncontested agenda items are items for which there appears to be no controversy, and which can be acted upon by the San Diego Water Board with no discussion. Such items have been properly noticed and all interested parties consent to the staff recommendation. The San Diego Water Board Chair will recognize late revisions submitted by staff and will then call for a motion and vote on all of the consent calendar items by the San Diego Water Board.

If any San Diego Water Board member or member of the public raises a question or issue regarding an item that requires San Diego Water Board discussion, the item may be removed from the consent calendar and considered separately in an order determined by the Chair. Anyone wishing to contest a consent item on the agenda is expected to appear at the San Diego Water Board meeting telephonically or via the remote meeting solution and explain to the San Diego Water Board the reason that it is contested.

- C. PROCEDURE FOR INFORMATION ITEMS (see Cal. Code of Regs., tit. 23, § 649 et seq.). Information items are items presented to the San Diego Water Board for discussion only and for which no San Diego Water Board action or vote is normally taken. The San Diego Water Board usually will hear a presentation by staff but may hear presentations by others. Comments by interested persons shall also be allowed. Members of the public wishing to address the San Diego Water Board on the topic under discussion should notify the clerk beforehand and indicate their request to speak to the San Diego Water Board. Comments from the public should be for clarification or to add to the San Diego Water Board's understanding of the item; such comment should not be testimonial in nature or argumentative, as speakers are not under oath and the proceeding is not adversarial. Time limits may be imposed on interested persons.

- D. PROCEDURES FOR NON-CONSENT (CONTESTED) AGENDA ITEMS. Non-consent or contested agenda items are items to which the parties involved have not consented and the staff recommendation is in dispute. The procedure that applies to such items depends on the nature of the matter. Matters before the San Diego Water Board may be quasi-legislative or quasi-judicial (adjudicative proceedings). Such items may require a public hearing, and all interested persons will be provided an opportunity to make comments.

Contested Adjudicative Matters

Contested agenda items that are adjudicative, not quasi-legislative, are governed by the rules for adjudicative proceedings. State Water Resources Control Board (State Water Board) regulations setting forth the procedures for adjudicative proceedings before the State and Regional Water Boards are codified in Division 3 of Title 23 of the California Code of Regulations. Adjudicative proceedings before the State and Regional Water Boards are governed by State Water Board regulations as authorized by Chapter 4.5 of the Administrative Procedures Act (commencing with Gov. Code, § 11400). State Water Board regulations further provide that, with certain exceptions, adjudicative proceedings will be conducted in accordance with Evidence Code sections 800 through 805 and Government Code section 11513. Other provisions of Chapter 5 of the Government Code do not apply to adjudicative proceedings before the State and Regional Water Boards. For more information about laws and regulations relevant to adjudicative proceedings, please visit https://www.waterboards.ca.gov/laws_regulations/.

Quasi-legislative Matters

Quasi-legislative matters include rulemaking and some informational proceedings. These matters may include hearings for the adoption or amendment of regulations, water quality control plans, and hearings to gather information to assist the State and Regional Water Boards in formulating policy for future action. They are not adjudicative proceedings and are subject to different procedures. (See Cal. Code of Regs., tit. 23, § 649 et seq.)

- E. CONTRIBUTIONS TO SAN DIEGO WATER BOARD MEMBERS SEEKING ELECTED OFFICE (see also Gov. Code §84308). All persons who actively support or oppose the adoption of waste discharge requirements or an NPDES permit before the San Diego Water Board shall disclose on the record of the proceeding any contributions of \$250 or more to be used in a federal, state, or local election, made by the action supporter or opponent, or his or her agent, within the last 12 months to any San Diego Water Board member who holds an elected office or is seeking elected office. All permit applications and all person who actively support or oppose adoption of a set of waste discharge requirements or an NPDES permit pending before the San Diego Water Board are prohibited from making a contribution of \$250 or more to any San Diego Water Board member who holds an elected office or is seeking elected office for three months following a San Diego Water Board decision on the permit application.

(c)(3)); or to consider the appointment, employment or dismissal of a public employee to hear complaints or charges brought against a public employee (Gov. Code, § 11126, subd. (a)).
