John,

Attached is the list of confirmed attendees for the May 1 coordination meeting on the desal project wetlands mitigation plan. In addition to those on the list Poseidon will be sending a delegation of staff, scientists and some of the water agency reps. Sara Townsend from CCC is coordinating the meeting. Her contact info is included below. The location of the meeting is the Agua Hedionda Lagoon Foundation Discovery Center 1580 Cannon Road. I will forward you via a separate email her original meeting invitation. Let me know if you need any additional information.

Peter
