Thanks, Catherine. Does 3:30 to 5 work for your team's schedules?

Best,
Amanda

Amanda,
Thank you for the draft index. I will review it and let you know of any comments. The April 8 meeting will be held in San Diego at the Regional Board offices. We may have some follow-up or clarifying questions regarding the Plan. What time are you available tomorrow? We are striving to have all the documents completed Friday because we need to allow time to have the items posted on the Board's website Monday.

Phil and Catherine,

Attached is a draft administrative record index for discussion. The only item we've included from the 2006 permit proceedings is the permit itself since any challenge would only be to the Board's subsequent decisions, but query whether there are additional items you think it makes sense to add.

Also, has a location and specific date for this April's hearing been determined yet?

With regard to the Minimization Plan, I wanted to extend again the invitation to discuss any comments or questions you may have with our team on Thursday. Our hope is that to the extent you or staff have identified outstanding informational needs by Thursday evening, we can work toward addressing them by Monday.

Best regards,
Amanda
