

**Underground Storage Tank (UST) Building 965, Naval Air Station North Island, San Diego, California (GeoTracker ID T0607301011)**

Staff Contact: Sophie di Campalto

The San Diego Water Board intends to issue a no further action letter for cleanup of an unauthorized release of petroleum fuel wastes at UST Building 965, Naval Air Station North Island, San Diego, California. This public notice fulfills the San Diego Water Board's obligation to inform the public of completed corrective action as required by California Code of Regulations (CCR), Title 23, Division 3, Chapter 16, Article 11, section 2728.

The 60-day public notification period ends on April 26, 2021. Any comments provided regarding this matter will be considered by the San Diego Water Board. The case files are available for public review by submitting a file review request to the San Diego Water Board office, or on-line from the [GeoTracker database](#). Provided no significant issues arise during the public notification period, the San Diego Water Board will issue a no further action letter after the completion of site monitoring well destruction and waste removal from the site by the responsible party.
