

Naval Air Station North Island, Underground Storage Tanks 620-1 and 620-2 at Former Building 620, Coronado, California

Staff Contact: Sherrie Komeylyan

The San Diego Water Board intends to issue a no further action letter for cleanup of an unauthorized release of petroleum fuel wastes from leaking underground storage tanks 620-1 and 620-2 at Former Building 620, Naval Air Station North Island, Coronado, California (Site). This public notice fulfills the San Diego Water Board's obligation to inform the public of completed corrective action as required by California Code of Regulations, title 23, division 3, chapter 16, article 11, section 2728.

The 30-day public notification period starts on February 28, 2024, and ends on March 29, 2024. Any comments provided during the public notification period regarding this Site will be considered by the San Diego Water Board. The case files are available for public review by submitting a file review request to the San Diego Water Board office, or accessing them online from the [GeoTracker database](#). Provided no significant issues arise during the public notification period, the San Diego Water Board will issue a no further action letter after completion of the 30-day comment period and if no comments are submitted. For questions or comments, please contact Sherrie Komeylyan at (619) 521-3366 or via email at Chehreh.Komeylyan@waterboards.ca.gov.
