Background

The Assistant Executive Officer of the California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) has issued an Administrative Civil Liability (ACL) Complaint pursuant to California Water Code (Water Code) sections 13323 and 13385 against San Altos-Lemon Grove, LLC (Discharger) alleging it has violated California State Water Resources Control Board (State Water Board) Order No. 2009-0009-DWQ, as amended; Water Code section 13376; the Water Quality Control Plan for the San Diego Basin; and Clean Water Act section 301. The ACL Complaint proposes that administrative civil liability in the amount of **\$848,374** be imposed as authorized by Water Code section 13385. Unless the Discharger waives its right to a hearing and pays the proposed liability, a hearing will be held before the San Diego Water Board on **March 9, 2016**, in San Diego.

Purpose of Hearing

The purpose of the hearing is to receive relevant evidence and testimony regarding the proposed ACL Complaint. At the hearing, the San Diego Water Board will consider whether to adopt, modify, or reject the proposed assessment. The hearing will be held at the San Diego Water Board office at 2375 Northside Drive, Suite 100, in San Diego. An agenda for the hearing will be issued at least ten (10) days before the hearing and will be posted on the San Diego Water Board's web page at: www.waterboards.ca.gov/sandiego.

Hearing Procedure

The hearing will be conducted in accordance with this hearing procedure. A copy of the procedures governing an adjudicatory hearing before the San Diego Water Board may be found at Title 23 of the California Code of Regulations, section 648 et seq., and is available at <http://www.waterboards.ca.gov> or upon request. In accordance with section 648(d), any procedure not provided by this Hearing Procedure is deemed waived. Except as provided in Title 23 of the California Code of Regulations (CCR), section 648(b), Chapter 5 of the Administrative Procedures Act (commencing with section 11500 of the Government Code) does not apply to adjudicatory hearings before the San Diego Water Board. This Notice provides additional requirements and deadlines related to the proceeding.

THE PROCEDURE AND DEADLINES HEREIN MAY BE AMENDED BY THE ADVISORY TEAM IN ITS DISCRETION. **ANY OBJECTIONS TO THE PROPOSED PROCEDURE MUST BE RECEIVED BY CATHERINE HAGAN, SENIOR STAFF COUNSEL, NO LATER THAN NOVEMBER 20,¹ 2015, OR THEY WILL BE WAIVED.** FAILURE TO COMPLY WITH THE DEADLINES AND REQUIREMENTS CONTAINED HEREIN MAY RESULT IN THE EXCLUSION OF DOCUMENTS AND/OR TESTIMONY.

Separation of Functions

To help ensure the fairness and impartiality of this proceeding, the functions of those who will act in a prosecutorial role by presenting evidence for consideration by the San Diego Water Board (Prosecution Team) have been separated from those who will provide advice to the San Diego Water Board (Advisory Team). Members of the Advisory Team¹ include Catherine George Hagan and Adriana Nunez, Staff Counsel, Deborah Jayne, Senior Environmental Scientist and Beatrice Griffey, Engineering Geologist. Members of the Prosecution Team are: Laura Drabandt, Senior Staff Counsel; James Smith, Assistant Executive Officer; Jeremy Haas, Environmental Program Manager; Chiara Clemente, Senior Environmental Scientist; Laurie Walsh, Senior Water Resource Control Engineer; Wayne Chiu, Water Resource Control Engineer; and Frank Melbourn, Water Resource Control Engineer.

Ex Parte Communications

The designated parties and interested persons are forbidden from engaging in *ex parte* communications regarding this matter with members of the Advisory Team or members of the San Diego Water Board. An *ex parte* contact is any written or verbal communication pertaining to the investigation, preparation, or prosecution of the ACL Complaint between a member of a designated party or interested party on the one hand, and a San Diego Water Board member or an Advisory Team member on the other hand, unless the communication is copied to all other designated and interested parties (if written) or made at a proceeding open to all other parties and interested persons (if verbal). Communications regarding non-controversial procedural matters are not *ex parte* contacts and are not restricted. Communications among the designated and interested parties themselves are not *ex parte* contacts.

Hearing Time Limits To ensure that all participants have an opportunity to participate in the hearing, the following time limits shall apply: each designated party shall have a combined ninety (90) minutes to present evidence, cross-examine witnesses (if warranted), and provide a closing statement; and each interested person shall have three (3) minutes to present a non-evidentiary policy statement. Participants with similar interests or comments are requested to make joint presentations, and participants are requested to avoid redundant comments. Participants who would like additional time must submit their request to the Advisory Team no later than **February 19, 2016**. Additional time may be provided at the discretion of the Advisory Team (prior to the hearing) or the San Diego Water Board (at the hearing) upon a showing that additional time is necessary.

Submission of Evidence and Policy Statements

The following information must be submitted in advance of the hearing:

1. All evidence (other than witness testimony to be presented orally at the hearing) that the Designated Party would like the San Diego Water Board to consider. Evidence and exhibits already in the public files of the San Diego Water Board may be submitted by reference as long as the exhibits and their location are clearly identified in accordance with Title 23, California Code of Regulations, section 648.3.
2. All legal and technical arguments or analysis.
3. The name of each witness, if any, whom the designated party intends to call at the hearing, the subject of each witness' proposed testimony, and the estimated time required by each witness to present direct testimony.
4. The qualifications of each expert witness, if any.
5. (Discharger only) If the Discharger intends to argue an inability to pay the civil liability proposed in the Complaint (or an increased or decreased amount as may be imposed by the San Diego Water Board), the Discharger should submit supporting evidence as set forth in the "ACL Fact Sheet" under "Factors that must be considered by the Board."
6. (Discharger only) If the Discharger would like to propose a Supplemental Environmental Project (SEP) or Enhanced Compliance Action (ECA) in lieu of paying some or all of the civil liability in accordance with the State Water Board's Water Quality Enforcement Policy, the Discharger shall submit a detailed SEP or ECA proposal including a specific implementation timetable.

The Prosecution Team shall submit two (2) hard copies and one (1) electronic copy of the information to Catherine Hagan, Senior Staff Counsel, so that it is received no later than 5:00 p.m. on **November 30, 2015**.⁴

⁴ By email dated November 23, 2015, this deadline was extended to December 4, 2015.

The remaining designated parties shall submit two (2) hard copies and one (1) electronic copy of the information to Catherine Hagan, Senior Staff Counsel, so that they are received no later than 5:00 p.m. on **February 3, 2016**.

In addition to the foregoing, each designated party shall send one (1) copy of the above information to each of the other designated parties by 5:00 p.m. on the deadline specified above.

Interested persons who would like to submit written non-evidentiary policy statements are encouraged to submit them to Catherine Hagan, Senior Staff Counsel, as early as possible, but they must be received by **February 19, 2016**. Interested persons do not need to submit written comments in order to speak at the hearing.

In accordance with Title 23, California Code of Regulations, section 648.4, the San Diego Water Board endeavors to avoid surprise testimony or evidence. Absent a showing of good cause and lack of prejudice to the parties, the San Diego Water Board may exclude evidence and testimony that is not submitted in accordance with this hearing procedure. Excluded evidence and testimony will not be considered by the San Diego Water Board and will not be included in the administrative record for this proceeding. PowerPoint and other visual presentations may be used at the hearing, but their content may not exceed the scope of other submitted written material. A copy of such material intended to be presented at the hearing must be submitted to the Advisory Team at or before the hearing for inclusion in the administrative record. Additionally, any witness who has submitted written testimony for the hearing shall appear at the hearing and affirm that the written testimony is true and correct, and shall be available for cross-examination.

Request for Pre-hearing Conference

A designated party may request that a pre-hearing conference be held before the hearing in accordance with Water Code section 13228.15. A pre-hearing conference may address any of the matters described in subdivision (b) of Government Code section 11511.5. Requests must contain a description of the issues proposed to be discussed during that conference, and must be submitted to the Advisory Team, with a copy to all other designated parties, no later than 5:00 p.m. on **February 17, 2016**.

Evidentiary Objections

Any designated party objecting to written evidence or exhibits submitted by another designated party must submit a written objection so that it is received by 5:00 p.m. on **February 23, 2016**,⁵ to the Advisory Team with a copy to all other designated parties. The Advisory Team will notify the parties about further action to be taken on such objections and when that action will be taken.

⁵ By ruling dated February 8, 2016, this deadline was extended from February 17 to February 23.
