Mr. Mark Alexander, Terminal Manager
Central Freight Lines Inc.
875 Energy Way
Chula Vista, CA 91911

Mr. Alexander:

Subject: Requirement to Enroll under Industrial Storm Water General Permit, Central Freight Lines, 875 Energy Way, Chula Vista, CA 91911

Pursuant to California Water Code (CWC) Section 13399.30, you are hereby notified that Central Freight Lines Inc., Chula Vista, is required to enroll under Order No. 97-03-DWQ, National Pollutant Discharge Elimination System (NPDES) General Permit No. CAS000001, *Waste Discharge Requirements (WDRs) For Discharges of Storm Water Associated with Industrial Activities Excluding Construction Activities*. Order No. 97-03-DWQ (Industrial Storm Water General Permit) was issued by the State Water Resources Control Board on April 17, 1997 and is enforced locally by the California Regional Water Quality Control Board, San Diego Region (San Diego Water Board).

The San Diego Water Board conducted a joint inspection of your facility with the City of Chula Vista on May 27, 2014 and confirmed that coverage under the Industrial Storm Water General Permit for your facility, located at 875 Energy Way, Chula Vista, is mandatory based on SIC Code 4212 (Local Trucking Without Storage). You accompanied the inspectors during the site inspection.

The Industrial Storm Water General Permit is an NPDES permit that regulates discharges associated with 10 broad categories of industrial activities. This permit requires the implementation of management measures that will achieve the performance standard of best available technology economically achievable (BAT) and best conventional pollutant control technology (BCT). The Industrial Storm Water General Permit also requires the development of a Storm Water Pollution Prevention Plan (SWPPP) and a water quality monitoring plan. Through the SWPPP, sources of pollutants are to be identified and the means to manage the sources to reduce storm water pollution described. The permit requires that an annual report be submitted each July 1. The inspector gave you a copy of Order No. 97-03-DWQ and a Notice of Intent (NOI) form during the inspection.

For more information regarding the Industrial Storm Water General Permit, please see our website:
http://www.waterboards.ca.gov/water_issues/programs/stormwater/industrial.shtml

To apply for coverage under the permit, you must submit an NOI, which is included in the packet that the inspector provided to you during the inspection. Within thirty days, please submit a completed NOI, a site map of the facility, and the application fee of \$1791.00 made payable to "State Water Resources Control Board." All materials must be sent to the following address:

State Water Resources Control Board
Division of Water Quality
Attn: Storm Water Section
P.O. Box 1977
Sacramento, CA 95812-1977

Failure to seek coverage could result in a mandatory minimum penalty of not less than \$5000 per year of noncompliance pursuant to CWC sections 13399.30 and 13399.33.

In the subject line of any response, please include the requested "In reply refer to:" information located in the heading of this letter. For questions pertaining to the subject matter, please contact Ms. Whitney Ghoram at (619) 521-8040 or wghoram@waterboards.ca.gov.

Respectfully,

JAMES G. SMITH
Assistant Executive Officer
