Hi All,

Earlier today Larry Walker & Associates delivered to the SD Regional Board offices both digital and hard copy of our B3 and Revised B2 submittal. My deepest thanks to everybody for their commitment and hard work, the plan is better for it.

Here is the link to the submittal documents (including appendices and certifications):

and attached is the cover letter and a chronology of our interaction with Regional Board staff and the Consultation Committee.

Should you have trouble opening any of the documents, please shoot me an email (and copy Julianna Adams and Ashli Desai).

Finally, a reminder to our Consultation Committee members, you have until the close of the public comment period (around Aug 7) to make your written comments on the B3 submittal and have them be considered in the WQIP.

Best Wishes,
Stuart
