**NOTICE OF APPLICATION AND PUBLIC HEARING FOR  
REISSUANCE OF NPDES PERMIT**

**US Navy  
Treasure Island Wastewater Treatment Plant  
Treasure Island  
In City and County of San Francisco**

The above discharger has filed an application for reissuance of a permit under the National Pollutant Discharge Elimination System. Regional Water Board staff has prepared a tentative permit, containing effluent and receiving water limitations and specific provisions, in accordance with the Federal Clean Water Act and the California Water Quality Control Act.

The US Navy owns a sanitary wastewater treatment plant at 1220 Avenue M, Treasure Island, San Francisco. Under an agreement with the US Navy the City and County of San Francisco operates the facility. The treated waste water is discharged in deep water in Central San Francisco Bay.

There will be a public hearing to receive oral testimony and to consider adopting the tentative permit at a meeting to commence at the time and location below:

9:00 a.m., January 13, 2010  
Auditorium, Elihu Harris State Building  
1515 Clay Street, Oakland

**The last date for written comments is 5:00 p.m. on Monday, November 23, 2009.** Comments must be sent to the **attention of Derek Whitworth**. Persons wishing to file written comments on, or objections to, the tentative permit or other aspects of this matter must do so by this date so that such comments may be considered. No written comments will be accepted or responded to in writing after that date. Interested persons are invited to attend and express their views orally at the public hearing.

Pursuant to section 2050(c) of Title 23 of the California Code of Regulations, any party that challenges the Water Board's action on this matter through a petition to the State Water Resources Control Board under Water Code section 13320 will be limited to raising only those substantive issues or objections that were raised before the Water Board at the public hearing or in timely submitted written correspondence delivered to the Water Board.

The application, tentative permit, fact sheet, comments received, and related documents may be inspected and copied at the Regional Water Board's office. The tentative permit is also available on the Regional Water Board's website:
