Any interested party, Board member, or the Executive Officer may request that an item be removed from the Consideration of Uncontested Items, and it will be taken up in the order indicated by the agenda.

**Availability of Agenda Items** – Tentative orders and their accompanying materials are available one week before the meeting at www.waterboards.ca.gov/sanfranciscobay. Copies of agenda items may be obtained at the Board’s office after 9 a.m. on the Thursday preceding the Board meeting from the staff member indicated on the agenda.

**Conduct of Board Meetings** – Items may not be considered in numerical order. Board meetings are accessible to people with disabilities. Anyone intending to make a presentation using slides, overheads, computer graphics, or other media must coordinate with the staff member for the agenda item in advance of the meeting. All those addressing the Board should identify themselves for the record.

At any time during the regular session, the Board may adjourn to a closed session to consider litigation, personnel matters, or to deliberate on a decision to be reached based on evidence introduced in a hearing. [Government Code section 11126(a), (d) and (q)]

**Administrative Civil Liabilities and Mandatory Minimum Penalties** – A discharger may waive the right to a hearing on an agenda item for an ACL or MMP. All permit applicants and all persons who actively support or oppose adoption of waste discharge requirements or an NPDES permit pending before the Board are prohibited from making a contribution of $250 or more to any Board member for 3 months following a Board decision on a permit application.

**Water Quality Certification** – Information regarding pending section 401 Water Quality Certification applications is available at www.waterboards.ca.gov/sanfranciscobay/public_notices/#section401.
The primary responsibility of the Water Board is to protect and enhance the quality of regional surface water and groundwater for beneficial uses. This duty is carried out by formulating, adopting, and implementing water quality plans for specific water bodies, by prescribing and enforcing requirements on waste dischargers, and by requiring cleanup of water contamination and pollution. Specific responsibilities and procedures of the Board are outlined in the Porter-Cologne Water Quality Control Act.

Meetings of the Water Board normally are held on the second Wednesday of each month in the Elihu M. Harris State Office Building, First Floor Auditorium, 1515 Clay Street, Oakland. They are scheduled to begin at 9:00 a.m.

The purpose of the meetings is to provide the Water Board with an opportunity to receive testimony and information from concerned and affected parties and to make decisions after considering the evidence presented. A public forum is held at the beginning of each general meeting where persons may speak on matters within the Board’s jurisdiction that are not specific agenda items. The Board welcomes information on pertinent problems, but comments at the meeting should be brief and directed to specifics of the case to enable the Board to take appropriate action. Written comments must be received prior to the Board meeting by the date indicated by staff. Verbal testimony made at the Board meeting should only summarize the written material.

Audio recordings are made of each Water Board meeting and the recordings are retained in the Board’s office for two years. Anyone desiring copies of the recordings should contact the Board’s File Review Coordinator at (510) 622-2430. A copy of the written transcript may be obtained by calling California Reporting, LLC, at (415) 457-4417.
