

Text to add to notice page in addition to this table:

The San Francisco Bay Regional Water Quality Control Board (Regional Water Board) will accept written comments on the Tentative Order for Water Quality Certification and Waste Discharge Requirements for the South San Francisco Bay Salt Pond Restoration Project (Project), as described further below. The Board will consider adopting the Tentative Order during a meeting to commence at **9:00 am on May 9, 2018**, in the Auditorium on the first floor at 1515 Clay Street, Oakland, CA 94612. Interested persons are invited to express their views at this hearing.

Project Name:	South Bay Salt Pond Restoration Project (SBSPRP), Phase 2
City/County:	The Alviso Pond Complex is located near Fremont in Alameda County, and near Sunnyvale and Mountain View in Santa Clara County. The Ravenswood Pond Complex is located near Menlo Park in San Mateo County.
Comment Period:	3/16/2018 – 4/16/2018 at 5 pm.
Project Description:	SBSPRP Phase 2 will modify 2,385 acres of ponds within the 15,100 acres of former salt ponds that are being restored under SBSPRP. Phase 2 ponds are located within the Alviso Pond Complex and the Ravenswood Pond Complex. Three managed ponds will be converted to tidal marsh habitat, four managed ponds will be reconfigured, and two ponds with tidal marsh habitat will be modified to enhance tidal marsh development.
