**NOTICE OF APPLICATION, OPPORTUNITY TO COMMENT, AND PUBLIC HEARING  
FOR  
DISCHARGE PERMIT**

**Cedar Fair Entertainment Company, California's Great America  
4701 Great America Parkway, Santa Clara, Santa Clara County**

Board staff has prepared a draft National Pollutant Discharge Elimination System permit for the above discharger in accordance with the Clean Water Act and Porter-Cologne Water Quality Control Act.

The discharger operates California's Great America, an amusement park. The draft permit would authorize discharge of stormwater, water from water rides, and runoff from landscape irrigation to San Tomas Aquino Creek. These wastewaters are collected in a pair of retention basins, which provide treatment by settling and prevent discharge except during large storms.

**The deadline for receipt of comment on the tentative permit is 5:00 p.m. on March 30, 2020.**

Comments must be sent to the attention of **John H. Madigan**. Persons wishing to file written comments on any aspect of this matter must do so no later than this deadline so that such comments may be considered.

The Board will consider adopting the draft permit during a meeting to commence at **9:00 a.m. on May 13, 2020**, in the Auditorium at 1515 Clay Street, Oakland. Interested persons are invited to express their views at this hearing.

Pursuant to California Code of Regulations Title 23 section 2050(c), any party who challenges the Board's action through a petition to the State Water Resources Control Board under Water Code section 13320 will be limited to raising only those substantive issues that were raised before the Board at the hearing or in timely submitted correspondence.

All documents related to the draft permit may be inspected at the Board office. The draft permit and developments on this matter are available at [www.waterboards.ca.gov/sanfranciscobay](http://www.waterboards.ca.gov/sanfranciscobay).
