Bedwell Bayfront Park Landfill, Menlo Park, San Mateo County – Issuance of Waste Discharge Requirements

DISCUSSION:

This Revised Tentative Order (Appendix A) would issue updated Waste Discharge Requirements (WDRs) for the Bedwell Bayfront Park Landfill (formerly known as Bayfront Park and the Marsh Road Landfill) located at 1600 Marsh Road, Menlo Park, California. The Waste Discharge Requirements contained in the Revised Tentative Order would update the facility name, update the Self-Monitoring Program, and terminate the previous Waste Discharge Requirements.

We received comments related to monitoring frequency and schedule from the City of Menlo Park on the tentative order during the public comment period (Appendix B) and addressed them in the Response to Comments (Appendix C). We also made minor staff-initiated changes, including minor editorial and formatting changes, as described in Appendix C. We expect this item to remain uncontested.
