**OTHER BUSINESS**

**Item 7 – Implementation of the Municipal Regional Stormwater Permit Trash Load Reduction Requirements** – Status Report

Chair Muller recused himself for this item and stepped down. Vice-Chair Young led the meeting for this item. Mr. Wolfe noted that the item is a status report and not an action item.

Board staff Dale Bowyer made the presentation. His presentation focused on the three things permittees were required to submit by February 2012: a trash baseline reduction methodology, a trash tracking methodology, and short-term trash reduction plans and staff’s June response to these submittals.

The following parties provided comments at the hearing: Tom Dalziel, Contra Costa Clean Water Program; Rinta Perkins, City of Walnut Creek Stormwater Program Manager; Mark Lander, City Engineer, City of Dublin; Larry Patterson, City of San Mateo Public Works Director; Kathy Cote, Environmental Services Director, City of Fremont; Paul Singarella, Attorney, Latham &Watkins; Stephen Knight, Political Director, Save the Bay; Ian Wren, Staff Scientist, BayKeeper; Chandler Hadraba, Board Member and Managing Director, Western
Plastics Association; Jim Burden, Business Strategies Director, Emerald Program; Ryan Kenny, Manager State Affairs, American Chemistry Council; and Craig Johns, Partnership for Sound Science and Environmental Policy.

Board Member McGrath recommended that the BASMAA entities engage the community and work with environmental groups to come up with innovative solutions. Mr. Eliahu noted that they were depending on staff to work with dischargers to come up with the best solution for gathering needed data. Vice-Chair Young noted our shared goal of reducing trash. She noted that by 2014 she would like to see a robust monitoring program for measuring trash and determining compliance. She suggested that the permittees not move forward with the proposed crediting system and consider a limited crediting system to promote innovation. Lastly, she advised permittees to implement programs that decrease trash and not rely on their proposed credit system to judge success.

**Item 14 - Adjournment**

Meeting adjourned at 12:33 pm until the next Board Meeting – October 10, 2012
