

San Francisco Bay Regional Water Quality Control Board

Notice Date: January 10, 2018

NOTICE OF PUBLIC HEARING NOTICE OF FILING A DRAFT ENVIRONMENTAL DOCUMENT

to amend the

Water Quality Control Plan for the San Francisco Bay Basin

NOTICE IS HEREBY GIVEN that the San Francisco Bay Regional Water Quality Control Board (Water Board) will consider an amendment to the Water Quality Control Plan for the San Francisco Bay Basin (Basin Plan) during a public hearing on May 9, 2018. Specifically, the Water Board will consider:

Establishing a Total Maximum Daily Load (TMDL) and Implementation Plan for Sediment in the Pescadero-Butano Watershed

The proposed amendment is required by a regulatory program certified under section 21080.5 of the Public Resources Code and section 15251 of title 14 of the California Code of Regulations. Accordingly, a substitute environmental document (SED) has been prepared in lieu of an environmental impact report under the California Environmental Quality Act (Public Resources Code Section 2100 et seq.). The proposed amendment and SED are available for public review and a hearing to adopt the proposed amendment and SED will be held as follows:

SUBMISSION OF WRITTEN COMMENTS: The 45-day public comment period for the proposed amendment begins on January 10, 2018. Comment letters must be received by 5:00 p.m. on Friday, February 24, 2018. Please send all written comments on the proposed amendment to the staff contact identified above. Additionally, all evidence, testimony, and exhibits to be offered at the hearing must be submitted in writing by this date to the above staff contact. Non-evidentiary policy statements to be made at the hearing need not be submitted in advance.

Prior to the hearing, Water Board staff will post on the above website any proposed changes to the proposed Basin Plan amendment and/or accompanying staff report, along with written responses to all comments received during the public comment period. Any changes in the date of the hearing, the availability of responses to comments or any other updates will be noticed on the above website.

The Water Board will receive oral public testimony on the proposed amendment at the hearing. At the conclusion of the hearing, the Water Board will consider adoption of the proposed Basin Plan amendment, including changes to the proposed amendment that are consistent with the general purpose of the proposed amendment and are a logical outgrowth of the evidence and testimony received. Alternatively, in response to written comments and testimony received, the Water Board may recommend that staff make changes to the proposed amendment to be presented for its consideration at a subsequent hearing.

The public hearing will be conducted in accordance with the California Code of Regulations, title 23, section 649.3. Time limits may be imposed on oral testimony at the public hearing; groups are encouraged to designate a spokesperson. All exhibits presented at the hearing, including charts, graphs, and other testimony must be left with the Water Board. They will become part of the administrative record.

A map and directions to the hearing are available online at http://www.waterboards.ca.gov/sanfranciscobay/about_us/directions.shtml. The location of the hearing is accessible to persons with disabilities. Individuals who require special accommodations are requested to contact Executive Assistant Brandy Stone (510) 622-2399, Brandy.Stone@waterboards.ca.gov, at least five (5) working days before a meeting. TTY users may contact the California Relay Service at 1-800-735-2929 or voice line at 1-800-735-2922.
