To all interested parties:

- a) The December 15, 2018, deadline for submittal of the initial Annual Compliance Reporting Form is extended to January 31, 2019; and
- b) Reporting for this year shall be focused on the status of the Vineyard Property's Farm Plan, as related to its development and implementation (see attached Annual Compliance Reporting Form for 2018).

In future years, the Annual Compliance Reporting Form shall also include information regarding Vineyard Property inspections and baseline water quality conditions as compared to performance standards for discharge.
