Table 4-11: Goals of the Long-Term Management Strategy for the Placement of Dredged Material in the San Francisco Bay Region (LTMS)

1) Maintain those channels in the SF Bay Estuary which are necessary for navigation, in an environmentally and economically sound manner and eliminate unnecessary dredging activities in the region

2) Conduct dredged material disposal activities in the most environmentally sound manner

3) Maximize the use of dredged material as a resource

4) Establish a cooperative permitting framework for dredging permit applications
