| 8:00 | Facilitated Questions and Answers                              |
| 8:30 | Adjourn  |

#### Purpose and Goals for Tonight's Open House

To provide an opportunity for the public to:

- Meet Water Board staff and learn about groundwater conditions and potential health risks associated with contamination at Hookston Station and adjacent areas
- Receive an update about the Water Board's regulatory process and future soil and groundwater cleanup plans
- Ask questions and obtain clarification on the Baseline Risk Assessment and planned Feasibility Study
- Provide input for future community involvement opportunities

*Preserving, enhancing, and restoring the San Francisco Bay Area's waters for over 50 years*

## **GROUND RULES**

### **Hookston Station and Adjacent Areas Open House**

- Focus on issues, not personalities
- Listen without interrupting
- Respect other views
- Everyone contributes, no one dominates
- One at a time
