Santa Ana Region

RESOLUTION NO. R8-2002-0034

State Fiscal Year (SFY) 2002-2003 State Revolving Fund (SRF) Loan Priority List  
for the Santa Ana Region

WHEREAS:

1. Title VI of the Federal Clean Water Act and various state laws, including the Clean Water Bond Law of 1984, authorize the State Water Resources Control Board (SWRCB) to implement the State Revolving Fund and to adopt rules and regulations governing the making and enforcing of contracts with public agencies having authority to construct, operate and maintain treatment works.
2. Regulations adopted by the SWRCB require that the Regional Board recommend to the SWRCB each year a Priority List of projects, including wastewater treatment plants, nonpoint source projects, storm drainage projects, and estuary enhancement projects within Region 8 for each of the succeeding five fiscal years. Subsequently, the SWRCB, after a public hearing, will update the statewide Priority List for each of the succeeding five fiscal years.
3. After notice to all interested parties, this Regional Board conducted a public hearing on April 26, 2002 to consider all the evidence introduced at and prior to that hearing with regard to the Priority List.

THEREFORE, BE IT RESOLVED THAT:

1. The Santa Ana Region's SFY 2002-2003 SRF Loan Priority List, shown in Attachment "A" to this Resolution, be adopted.
2. The Santa Ana Region's Priority List be recommended for inclusion by the State Water Resources Control Board in the statewide Priority List.
3. The Regional Board authorizes the Executive Officer to add, delete or modify the projects shown in Attachment "A" during the fiscal year, as necessary.

I, Gerard J. Thibeault, Executive Officer, do hereby certify that the foregoing is a full, true and correct copy of a resolution adopted by the California Regional Water Quality Control Board, Santa Ana Region, on April 26, 2002.

**SUBJECT:** Santa Ana Regional Board's Priority List for State Revolving Fund Loan Program Projects for State Fiscal Year 2002-2003, Resolution No. R8-2002-0034

**DISCUSSION:**

The State Revolving Fund (SRF) loan program makes State and Federal money available for the construction of water quality improvement projects. The SRF program replaced the Federal Clean Water Grant program. The State Water Resources Control Board (State Board) administers this program through the development of a statewide Project Priority List. This list indicates when, over a five year period, applicants are eligible to receive loan funds for the planning, design and construction of projects such as sewage treatment plants, water reclamation projects, nonpoint source pollution control projects, and estuary enhancement projects. Nonpoint source pollution control are storm drainage projects that include pollution abatement appurtenances, and not merely storm water conveyance facilities.

On January 10, 2002, the Santa Ana Regional Board staff received the Draft State Fiscal Year (SFY) 2002-2003 SRF Loan Program Priority List for the Santa Ana Region from the State Board, Division of Clean Water Programs. The State Board has requested that the Regional Board review the draft list and adopt a regional list with any appropriate changes. The Regional Board's adopted list will be used to develop the statewide SFY 2002-2003 Priority List.

State regulations require that the Regional Boards solicit public comments before adopting a list. Board staff solicited comments from interested parties and, based on these comments, proposes changes to the draft SFY 2002-2003 Priority List. A revised list for the Region is shown in Attachment "A" to proposed Resolution No. R8-2002-0034. The revised list includes one proposed schedule change and one proposed deletion of a project from the priority list. These changes are as follows:

**BIG BEAR AREA REGIONAL WASTEWATER AGENCY – SCHEDULE CHANGE**

LANDSCAPE IRRIGATION AND GROUDWATER RECHARGE (RECLAMATION) (4212-11):

Big Bear Area Regional Wastewater Agency requests that the priority list be revised to show the project's schedule construction date as 2006.

**SAN BERNARDINO COUNTY FLOOD CONTROL DISTRICT – DELETE PROJECT**

Chino Agricultural Preserve Drainage (6035-11):

San Bernardino County Flood Control District requests that the project be deleted from the priority list.

**RECOMMENDATION:**

Adopt Resolution No. R8-2002-0034, with the Santa Ana Region SFY 2002-2003 SRF Loan Priority List shown in Attachment "A".
