REGIONAL WATER QUALITY CONTROL BOARD
SANTA ANA REGION**

IN THE MATTER OF:)	Complaint No. R8-2004-0025
)	for
Thrifty Oil Company)	Mandatory Penalties
13116 Imperial Highway)	
Santa Fe Springs, CA 90670)	
Attention: Chris Panaitescu)	

YOU ARE HEREBY GIVEN NOTICE THAT:

1. Thrifty Oil Company (Thrifty) is alleged to have violated provisions of law for which the California Regional Water Quality Control Board, Santa Ana Region (Board), must impose mandatory penalties pursuant to California Water Code (Water Code) Section 13385(h) and (i).
2. A hearing concerning this Complaint is scheduled for the Board's regular meeting on April 30, 2004. Thrifty or its representatives will have an opportunity to appear and be heard, and to contest the allegations in this complaint and the imposition of mandatory penalties by the Board. An agenda announcement and the staff report related to this Complaint will be mailed to you not less than 10 days prior to the hearing date.
3. If the hearing is necessary, the Board will consider whether to affirm, reject or modify the proposed mandatory penalty or whether to refer this matter to the Attorney General for recovery of judicial civil liability.
4. This complaint is based on the following facts:
 - a) Thrifty currently maintains a groundwater remediation system that treats and discharges groundwater to remediate the effects of an underground storage tank release at former Station #372, located at 14472 Brookhurst Street, in the city of Garden Grove. On January 23, 2002, the Board adopted Waste Discharge Requirements, Order No. 2002-0007 (NPDES No. CAG918001), General Groundwater Cleanup Permit (Permit). The Permit regulates discharges of extracted and treated groundwater resulting from the cleanup of petroleum hydrocarbons and/or solvents within the Santa Ana Region by establishing effluent limits for a number of constituents, including tertiary butyl alcohol (TBA).
 - b) On April 10, 2002, Thrifty was authorized to discharge treated groundwater resulting from its groundwater treatment system and was required to monitor the discharge in accordance with Monitoring and Reporting Program No. 2002-0007-048.

- c) Thrifty submitted a self-monitoring report, which shows daily and monthly effluent limit violations for TBA. These violations are summarized on Attachment "A", included as Page 3 of this complaint.
5. Water Code Section 13385(h) and (i) requires the Board to assess a mandatory minimum penalty of three thousand dollars (\$3,000) for each serious and/or other specific types of violations.
 6. As shown in Attachment "A", Thrifty violated the maximum daily limit for TBA on April 26, 2003, with a discharge result of 152 µg/L. This violation resulted in an exceedence of the monthly average effluent limit for TBA. Both of these exceedences are considered serious violations and are subject to mandatory minimum penalties.
 7. In accordance with Water Code Section 13385(h), the mandatory minimum penalty for the two effluent violations cited in Section 6, above, is \$6,000.
 8. In addition, the Board may also assess administrative civil liability of \$10,000 per day for each day of violation and \$10 per gallon for each gallon discharged in excess of 1,000 gallons in accordance with Water Code Section 13385(c). The maximum administrative civil liability that may be imposed for these violations is \$50,100 (\$10,000 for one day of violation and \$40,100 (based on 5,010-1,000=4,010 gallons @ \$10 per gallon)
 9. After consideration of the facts, the Executive Officer proposes that mandatory minimum penalties in the amount of \$6,000 be imposed on Thrifty Oil Company, by the Board, for the violations cited above.
 10. You may waive your right to a hearing. If you wish to waive this right, please sign the attached waiver form and return it, along with a check or money order for \$6,000, made payable to the State Water Resources Control Board, and the bottom portion of the invoice, to Sacramento in the enclosed envelope.

If you have any questions regarding this complaint, please contact Ken Williams at (909) 782-4496, or Valerie Jahn-Bull at (909) 782-4903, or the Board's legal counsel, Jorge Leon, at (916) 341-5180.
