Order R8-2020-0017

Rescission of Waste Discharge Requirements  
for  
Specific Dischargers

The California Regional Water Quality Control Board, Santa Ana Region (hereinafter Board), finds that:

1. The orders listed in Attachment "A" were issued by the Board at various times to dischargers described therein. Attachment "A" is hereby made a part of this Order. The orders for the dischargers listed in Attachment "A" are no longer necessary because the discharge has ceased, the project has been completed or the discharge will be regulated by another appropriate order.
2. This action is based on the fact that specific discharges have ceased, or the project has been completed or the facility is regulated by another order issued by the Board. As such, this action is exempt from the requirements of the California Environmental Quality Act in accordance with Section 15061(b)(3), Chapter 3, Title 14 of the California Code of Regulations.
3. The Board has notified the dischargers and interested agencies and persons of its intent to rescind the orders for the dischargers listed in Attachment "A" and has provided them with an opportunity to submit written comments and recommendations.
4. The Board, in a public meeting, heard and considered all comments pertaining to the rescission of waste discharge requirements.

**IT IS HEREBY ORDERED** that the orders listed in Attachment "A" be rescinded.

I, Hope A. Smythe, Executive Officer, do hereby certify that the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, Santa Ana Region, on October 16, 2020.
