STAFF REPORT

ITEM: 11

SUBJECT: Revision Order R8-2025-0053 (Tentative Order) to Substitute Permittees under Waste Discharge Requirements Order R8-2013-0035 (Affected Order) for the Chino Valley Tank Wash, LLC, Ontario, San Bernardino County

SUMMARY:

The Tentative Order is based on a new standardized template that allows multiple existing orders to be summarily revised in a non-substantive manner (e.g., substitution of parties). However, this Tentative Order only affects one order - Waste Discharge Requirements Order R8-2013-0035.

Formerly known as the “Chino Valley Truck Wash,” the subject facility will now be referred to as “Chino Valley *Tank* Wash.” Ownership has been transferred to De Vries California Properties, LLC; and the new operators are Chino Valley Tank Wash, LLC and Shad Skikos. There are no changes to the substantive Waste Discharge Requirements (WDRs) in the Affected Order.

STAFF RECOMMENDATION:

Adopt Tentative Order as presented.
