

# ***CORRECTIVE ACTION PLANS SUBMITTED***

***From February 12, 2019 to May 28, 2019***

***Per Article 11, Section 2728 of the California Underground Storage Tank Regulations  
(June 14, 2019 Regional Board Meeting)***

---

No Corrective Action Plans (CAPs) have been reportedly submitted to Regional Board staff since February 12, 2019. CAPs submitted for sites under local agency oversight should be reported by the oversight agency. Information regarding CAPs submitted to the local agencies should be documented in the SWRCB Geotracker database for the specific site.
