## Santa Ana Regional Water Quality Control Board

### ITEM NO. \*7

May 5, 2023

### ERRATA SHEET

#### CHANGES TO TENTATIVE ORDER R8-2023-0018

#### GENERAL WASTE DISCHARGE REQUIREMENTS FOR DISCHARGES OF WASTE FROM INERT WASTE DISPOSAL FACILITIES WITHIN THE SANTA ANA REGION

(Language added is **bold and underlined**)

(Note: Upon Order adoption, the errata will be incorporated and in the finalization of the document, formatting and minor typographical corrections will be made; further, non-substantive changes may be made to improve readability in compliance with Government Code section 11546.7 document accessibility requirements)

1. Order R8-2023-0018, modify Finding #13, as follows:

“Accordingly, subject to verification by Santa Ana Water Board staff, these General WDRs provide an exemption for facilities that accept small amounts (less than 10,000 cubic yards) of inert waste or earth materials annually or that accept a limited quantity (100,000 cubic yards or less) of such materials **for a one-time earth-fill project that will be completed** within a defined period of time (two years or less).”

2. Order R8-2023-0018, modify Section A.7.b., as follows:

“The facility accepts an estimated total of 100,000 cubic yards or less of inert waste and/or earth materials **for a one-time earth-fill project that will be completed** within a two-year period.”
