C. Ex Parte Communications

Any communication regarding any issue in this proceeding to a Santa Ana Water Board member or member of the Advisory Team by a Party or Interested Person that is made without notice and opportunity for all Parties to participate in the communication is considered an “ex parte” communication. Ex parte communications are prohibited, except as authorized by statute (e.g., communications regarding non-controversial procedural matters). (Gov. Code, § 11430.10 et seq.)

D. Evidentiary Standards

Government Code section 11513 and Evidence Code sections 801 through 805 apply to this proceeding.

The technical rules of evidence do not apply to this proceeding. The Parties may submit any relevant evidence that is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of the evidence over objection in civil actions.

Hearsay evidence is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter stated. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but over timely objection shall not be sufficient to support a finding unless it would be admissible over objection in civil actions. An objection is timely if made before conclusion of all testimony or closing statement if one is provided.

V. Hearing Participants

A. Parties

Parties are the primary participants in the hearing. Parties may present written evidence, offer witness testimony, cross-examine witnesses, and provide closing statements. Parties may be asked to respond to questions from the Santa Ana Water Board and Advisory Team.

The following are Parties to this proceeding:

1. Santa Ana Water Board Prosecution Team
2. City of Norco
3. Any other person or entity designated as a Party by the Presiding Officer in accordance with Section V.C.

B. Interested Persons (Non-Parties)

Interested Persons include any persons or entities that are interested in the outcome of the proceeding but that have not been designated as a party. Interested Persons may present written or oral non-evidentiary policy statements. Interested Persons are not subject to cross-examination but may be asked to respond to clarifying questions from the Santa Ana Water Board and Advisory Team.

Interested Persons may not submit evidence (e.g., photographs, eye-witness testimony, and monitoring data). Any person or entity that would like to submit evidence should request to be designated as a Party pursuant to Section V.C.

C. Requesting Party Status

Any Interested Person who wishes to participate in the hearing as a Party must submit a request in writing by the deadline listed under “Important Deadlines” below. The request must include the following information at a minimum:

1. How the issues to be addressed at the hearing substantially affect the requestor’s interests, and
2. Why the existing Parties do not adequately represent the requestor’s interests.

The request for Party status must also include any requested revisions to the Hearing Procedure.

A Party must submit any written objection to a request for Party status by the deadline listed under “Important Deadlines” below.

Following the deadline to submit objections to Party status requests, the Presiding Officer will promptly respond to any timely written requests for Party status. The Presiding Officer will not grant a request for Party status if the Presiding Officer determines the designation of the requestor as a party will impair the interests of justice or the orderly and prompt conduct of the proceeding. The Presiding Officer, when granting a request for party status, may impose restrictions on the requestor’s hearing participation, including limiting or excluding the use of cross-examination and other procedures, to promote the orderly and prompt conduct of the proceeding. Unless and until an Interested Person is granted party status, the deadlines for Interested Persons shall continue to apply.

VI. Prehearing Submittal of Non-Evidentiary Policy Statements by Interested Persons

A. Non-Evidentiary Policy Statements

Interested Persons must submit any written non-evidentiary policy statements regarding the ACL Complaint by the deadline listed under “Important Deadlines” below.

Interested Persons are not required to submit written statements to speak at the hearing.

B. Responding to Interested Person Non-Evidentiary Policy Statements

A Party must submit any response to Interested Person written policy statements by the deadline listed under “Important Deadlines” below.

VII. Prehearing Submittals by Parties

The Parties must submit the following information in advance of the hearing by the deadline listed under “Important Deadlines” below:

1. All evidence, excluding witness testimony to be presented orally at the hearing, and an exhibit list providing an exhibit number and brief description of each exhibit. Evidence already in the Santa Ana Water Board’s public files may be submitted by reference as long as the evidence and location are clearly identified. The file names of any electronic copies of exhibits must identify the Party submitting the exhibit, the exhibit number, and a brief identification of the exhibit (e.g., "Resp Ex. 1 - Permit.pdf").
2. All legal and technical arguments or analysis.
3. The name of each witness, if any, whom the Party intends to call at the hearing; the subject of each witness’ proposed testimony; and the estimated time required by each witness to present direct testimony.
4. The qualifications of each expert witness, if any.

B. Prehearing Rebuttal Evidence Submittals

Rebuttal evidence is evidence offered to disprove or contradict evidence presented by an opposing Party.

The Parties must submit any rebuttal evidence in advance of the hearing by the deadline listed under “Important Deadlines” below. Rebuttal evidence shall be limited to rebutting the scope of previously submitted materials; rebuttal evidence that is not responsive to previous submittals may be excluded by the Presiding Officer.

The requirement to submit rebuttal evidence in advance of the hearing applies only to rebut timely-submitted written evidence. Rebuttal evidence pertaining to an issue raised solely during oral testimony need not be submitted in advance of the hearing.

C. Prehearing Objections to Evidentiary Submittals

A Party must submit any objections to prehearing evidentiary submittals by the deadlines listed under “Important Deadlines” below.

These deadlines do not apply to objections to late-submitted evidence. Objections to late-submitted evidence must be made within seven days of the late submittal or at the hearing, whichever is earlier.

D. Prehearing Proposed Findings of Fact and Conclusions of Law

The Prosecution Team must submit, and the other Parties may submit, Proposed Findings of Fact and Conclusions of Law for consideration by the Santa Ana Water Board and Advisory Team. The Parties may use this opportunity to highlight specific evidence and argument for the Santa Ana Water Board’s consideration.

Proposed Findings of Fact and Conclusions of Law must be submitted in Microsoft Word format by the deadline listed under “Important Deadlines” below. The Presiding Officer may prescribe a page limit for the Proposed Findings of Fact and Conclusions of Law.

E. Prohibition on Surprise Evidence

It is the policy of the Santa Ana Water Board to discourage surprise testimony and exhibits. The Presiding Officer may refuse to admit proposed exhibits or testimony that are not submitted in accordance with this Hearing Procedure and shall refuse to do so when there is a showing of prejudice to any Party or the Santa Ana Water Board. Excluded material will not be considered.

VIII. Revisions to Hearing Procedure and Prehearing Conference

A. Revisions to Hearing Procedure

The Presiding Officer may revise this Hearing Procedure for good cause (1) on the Presiding Officer’s own motion or (2) upon request from any Party or Interested Person seeking party status. A Party or Interested Person seeking party status requesting revisions to this Hearing Procedure must submit the request in writing by the deadline listed under “Important Deadlines” below. Before revising this Hearing Procedure, the Presiding Officer will provide the Parties an opportunity to comment.

B. Prehearing Conference

The Presiding Officer, upon its own motion or upon request from a Party, may schedule a Prehearing Conference with the Parties to discuss any prehearing matter, such as revisions to this Hearing Procedure, designation of additional parties, or evidentiary objections.

Parties: Each Party will have a combined total of **60 minutes** to present evidence (including examining witnesses), cross-examine witnesses, and provide a closing statement.

Interested Persons: Each Interested Person will have **3 minutes** to present oral, non-evidentiary comments or policy statements.

Questions from the Santa Ana Water Board and the Advisory Team, responses to such questions, and discussion of procedural issues do not count against these time limits.

E. Requesting Additional Hearing Time

Hearing participants who would like additional time must submit their request by the deadline listed under “Important Deadlines” below. Additional time may be provided at the discretion of the Presiding Officer upon a showing that additional time is necessary.

F. Visual Presentations

Each Party may use PowerPoint and other visual presentations at the hearing. The presentation content shall not exceed the scope of previously submitted written material. The Parties must submit their presentations to the Advisory Team, if any, by the deadline listed under “Important Deadlines” below.
