IN THE MATTER OF:

Crossroad Petroleum)	Complaint No. R8-2018-0021

San Bernardino, CA 92408)	Mandatory Minimum Penalty and Staff Costs
Attn: Mr. Ed Haddad)

YOU ARE HEREBY GIVEN NOTICE THAT:

1. You are alleged to have violated provisions of law for which the California Regional Water Quality Control Board, Santa Ana Region (hereinafter Regional Board), must impose liability under section 13399.33 of the California Water Code.
2. Unless waived, a hearing concerning this Complaint will be held before the Regional Board at its regular meeting on March 23, 2018, at a to be determined location. Crossroad Petroleum representative will have an opportunity to appear and be heard, and to contest the allegations in this Complaint and the imposition of mandatory penalties by the Regional Board. An agenda for the meeting will be provided to Crossroad Petroleum not less than 10 days before the hearing date. A meeting agenda will also be available at: http://www.waterboards.ca.gov/santaana/board_info/agendas/.
3. Crossroad Petroleum can waive its right to a hearing to contest the allegation contained in this Complaint by signing and submitting the enclosed waiver and paying the liability in full or by taking other actions as described in the waiver form. If this matter proceeds to a hearing, the Prosecution Team reserves the right to seek an increase in the penalty amount to cover the costs of enforcement incurred subsequent to the issuance of this Complaint through hearing. The enforcement costs may be recovered pursuant to Water Code Section 13399.33(d).
4. At the hearing, the Regional Board will consider whether to affirm, reject, or modify the proposed mandatory minimum penalties and assessment of costs pursuant to Water Code section 13399.33, or whether to refer the matter to the Attorney General for recovery of judicial civil liability.

THIS COMPLAINT IS BASED ON THE FOLLOWING FACTS:

5. The construction site, **WDID 8 36C369606** identified as Yucaipa Gateway Plaza, located at Oak Glen Road, in the city of Yucaipa, is regulated under the State's General Permit for Storm Water Discharges Associated with Construction and Land Disturbance Activities, Order No. 2009-0009-DWQ as amended by Order No. 2010-0014 and Order No. 2012-0006, NPDES No. CAS000002 (Construction General Permit).
6. Section XVI.A. of the General Permit requires that an Annual Report be submitted by September 1st each year via the online SMARTS database. Crossroad Petroleum's 2016-

2017 annual report was not received by Regional Board staff by the September 1, 2017 deadline. Therefore, a Notice of Non-Compliance (NNC) was issued to Crossroad Petroleum, by certified mail, on September 12, 2017. The NNC requested that Crossroad Petroleum submit the 2016-2017 annual report by October 13, 2017 to the Regional Board. The return receipt showed the NNC was received on September 13, 2017. The NNC and return receipt are attached to this complaint as Attachment 1.

7. On October 18, 2017, Regional Board staff received no response to the first NNC, therefore a second NNC was issued. The second NNC requested that Crossroad Petroleum submit the 2016-2017 annual report by November 13, 2017. The return receipt showed the NNC was received on October 20, 2017. The NNC and return receipt are attached to this complaint as Attachment 2.
8. On August 21, 2017 State Board staff sent an email to all Active Construction General Permit facility owners reminding them that the Annual Report was due on September 1, 2017 and to contact them if they needed assistance accessing the SMARTS system.
9. On October 23, 2017, an email notification that the 2016-2017 Annual report was late was sent to the facility owner contact in SMARTS, Mr. Haddad crossroadpetroleum@gmail.com and to contact Regional Board Staff with any questions.

LEGAL AUTHORITY

10. Water Code section 13399.31, subdivision (d), provides that "[i]f a discharger to which a notice is sent pursuant to subdivision (c) fails to submit the annual report ... to the regional board within 60 days from the date on which the notice is sent pursuant to subdivision (b), the regional board shall impose the penalties described in subdivision (c) of Water Code section 13399.33."
11. Water Code section 13399.33, subdivision (c) requires the regional board to assess a mandatory minimum penalty of \$1,000 for each violation when the discharger fails to submit an annual report in accordance with Water Code section 13399.31.
12. Water Code section 13399.33, subdivision (d) provides that the regional board shall "[r]ecover from the persons described in subdivisions (a), (b), and (c) the costs incurred by the regional board in regards to those persons."
13. While this Complaint only seeks the mandatory minimum penalty amount pursuant to Water Code section 13399.33, the maximum amount of administrative civil liability assessable pursuant to Water Code section 13385, subdivision (c) is \$10,000 per day per violation.

VIOLATION

14. Crossroad Petroleum failed to submit the 2016-2017 Annual Report and must be assessed the Mandatory Minimum Liability: The first NNC issued on September 12, 2017 and the second NNC issued on October 18, 2017 gave Crossroad Petroleum notice that it was obligated to submit the annual report in order to comply with the Construction General Permit. To date, the annual report has not been submitted.

PROPOSED MANDATORY MINIMUM PENALTIES AND ASSESSMENT OF COSTS

15. Pursuant to Water Code section 13399.33(c), the Regional Board shall administratively impose a penalty in an amount that is not less than one thousand dollars (\$1,000) for the violation cited above.
16. Based on the non-submittal of the 2016-2017 annual report by September 1, 2017, Crossroad Petroleum is alleged to have violated the Construction General Permit for 131 days (from September 2, 2017 to January 11, 2018, the date of this Complaint).
17. Water Code section 13399.33(d) allows for the recovery of costs incurred by the Regional Board for enforcement actions against dischargers who fail to submit the required annual report. Staff spent approximately ten (10) hours at \$139/hr, staff's supervisor spent about four (4) hours at \$131/hr, and the AEO spent approximately one (1) hour at \$198/hr for this enforcement action resulting in total staff costs of \$2112. The total liability, including staff costs, is \$3,112 (\$1,000 mandatory penalty+\$2112 in staff costs).
18. Issuance of this Complaint is an enforcement action and is therefore exempt from the provisions of the California Environmental Quality Act (Pub. Res. Code Section 21000 et seq.) pursuant to Title 14, California Code of Regulations Sections 15308 and 15321, subdivision (a), paragraph (2).

WAIVER OF HEARING

Crossroad Petroleum may waive its right to a hearing. If Crossroad Petroleum chooses to do so, please sign the enclosed Waiver Form and return it, together with a check for **\$3,112. Indicate "R8-2018-0017" on the check and make it payable to the Waste Discharge Permit Fund.** Send the check to the following address:

The procedures governing adjudicatory hearings before the Regional Board may be found at California Code of Regulations, title 23, section 648 *et seq.*, and are available at:

"Rebuttal" means evidence, analysis or comments offered to disprove or contradict other submissions. Rebuttal shall be limited to the scope of the materials previously submitted. Rebuttal information that is not responsive to information previously submitted may be excluded.

Copies: For each evidentiary deadline, each Designated Party shall send one electronic copy of the above materials to each of the other Designated Parties at the address or addresses provided above by 5:00 p.m. on the deadline described above.

Interested Persons: Interested Persons who would like to submit written non-evidentiary policy statements are encouraged to submit them to the Advisory Team as early as possible, but they must be received by the deadline listed under "Important Deadlines" to be included in the Board's agenda package. Interested Persons do not need to submit written comments in order to speak at the hearing.

Prohibition on Surprise Evidence: In accordance with California Code of Regulations, title 23, section 648.4, the Regional Board endeavors to avoid surprise testimony or evidence. The person(s) who have been issued a complaint may waive the right to a hearing."

(Check here if Crossroad Petroleum waives the hearing requirement and will pay the liability in full.)

- a. I hereby waive any right Crossroad Petroleum may have to a hearing before the Regional Water Board.
- b. I certify that Crossroad Petroleum will remit payment for the proposed penalty in the full amount of **three thousand, one hundred and twelve dollars (\$3,112)** by submitting a check made payable to the "Waste Discharge Permit Fund," that references "Complaint No. R8-2018-0021." Payment must be received by the Regional Water Board by **February 12, 2018** or the Regional Water Board may adopt an Order requiring payment.
- c. I understand the payment of the above amount constitutes a proposed settlement of the Complaint, and that any settlement will not become final until after the 30-day public notice and comment period. Should the Regional Water Board receive significant new information or comments from any source (excluding the Water Board's Prosecution Team) during this comment period, the Regional Water Board's Assistant Executive Officer may withdraw the complaint, return payment, and issue a new complaint. I understand that this proposed settlement is subject to approval by the Regional Water Board (or the Regional Board's delegate), and that the Regional Water Board may consider this proposed settlement in a public meeting or hearing. I also understand that approval of the settlement will result in Crossroad Petroleum having waived the right to contest the allegations in the Complaint and the imposition of civil liability.

- d. I understand that payment of the above amount is not a substitute for compliance with applicable laws and that continuing violations of the type alleged in the Complaint may subject the Discharger to further enforcement, including additional civil liability.
