

El Toro Pipeline Tustin Release Area

Corrective action activities are ongoing for petroleum hydrocarbons, primarily jet fuel and gasoline, that are present in soil vapor and groundwater beneath the intersection of Old Irvine Boulevard and Newport Avenue in Tustin.

Upcoming Community Open House:

Date: Thursday, January 16, 2020

Time: 6:00 PM – 8:00 PM

Where: Clifton C. Miller Community Center, 300 Centennial Way, Tustin, CA

How to Stay Informed:

Sign-up to receive project updates and notifications of public meetings:

The Water Board has created a subscription email list specifically for information about the El Toro Pipeline Tustin Release Area. Signing up will allow the Water Board to email you about upcoming public participation events or when reports documenting results have been uploaded to GeoTracker, a state database that contains data and information about the El Toro Pipeline Tustin Release Area.

How to Subscribe: Visit the following link, fill out your name and email address, and select [El Toro Pipeline Tustin Release Area](#). Once signed up, a confirmation email will be sent to you that requires you to confirm your subscription.
