TENTATIVE ORDER R8-2025-0056

NOTICE IS HEREBY GIVEN that the Santa Ana Regional Water Quality Control Board (Santa Ana Water Board) is releasing for public review and comment tentative Order R8-2024-0056 (Tentative Order) for the Verdemont TTM 16794 (Project). The Project encompasses the construction of 44 single-family residential and associated infrastructure on 18.45 acres within the City of San Bernardino. The construction of the Project would result in the permanent physical loss of 0.05-acre of ephemeral waters of the State. The permanent impacts are a result of mass grading for site preparation.

The Santa Ana Water Board intends to consider adopting the Tentative Order during a public hearing at a regularly scheduled Santa Ana Water Board meeting as follows:

Date: July 25, 2025
Time: 9:00 a.m.
Location: City of Orange
Address: 300 E. Chapman Avenue
Address: Orange, CA 92866
(remote participation available)

The public may participate either in person at the physical meeting location or virtually via the Zoom meeting platform. Instructions concerning how to participate virtually are available on the Santa Ana Water Board's [Remote Participation](#) webpage. For those who do not intend to actively participate, the meeting will be livestreamed via [Cal-Span](#).

Interested persons may attend and express their views orally on this matter at the public hearing. Oral statements should be brief to allow all interested persons time to be heard. Such comments will generally be limited to three minutes, though the Board Chair may grant additional time on a case-by-case basis.

KRISTINE MURRAY, CHAIR | JAYNE JOY, EXECUTIVE OFFICER

The Santa Ana Water Board's agenda for the Board meeting will be available on the Santa Ana Water Board's [Agenda](#) webpage at least ten days prior to the meeting.
