North Shore Beach & Yacht Club
Community Center

99155 Sea View Dr, Mecca, CA 92254

CENTRAL CALIFORNIA (Remote/In-person)

July 27, 2022, 4:00 – 6:30 pm

Self-Help Enterprises

8445 W. Elowin Ct, Visalia, CA 93291

OUTREACH TO THE PUBLIC

- Racial equity is a Water Boards' priority.
- We are working toward a future where race no longer predicts a person's access to water or the quality of water resources they receive, where race does not predict professional outcomes for our employees, and where we consistently consider racial equity impacts before we make decisions.
- Workshop will educate the public of the Water Board's racial equity effort and actively participate in developing a draft Racial Equity Plan.

Municipal Separate Storm Sewer System (MS4) Permit Renewal

Initiated Action:

Water Board Workshop (February 4, 2022)

Presented the Staff Working Proposal (three permits into one)

Weekly Internal Meeting (Since March 2022)

Working through informal comments

Meetings with Permittees (Since March 2022)

Review of Staff Working Proposal by Sections

Met with Orange County Coastkeepers (April 2022)

Review of Staff Working Proposal

Staff Level Public Workshop (August 2, 2022)

Riverside Public Library, 3900 Mission Inn, Riverside
Public/Stakeholder input on the Staff Working Proposal

Emergency Conservation Requirements

Drought Response

Regulation

- Commercial, industrial, and institutional decorative grass should not be watered
- Give all trees just what they need: avoid overwatering
- Follow the local requirements of your water supplier
- Urban water suppliers should implement all Level 2 demand reduction actions by June 10, 2022
