Project Name: Orangewood Avenue Improvements from the Santa Ana River to the East of SR-57

Date Posted: 5/31/2019

Date Application Complete: 5/20/2019

Project City: Anaheim

Project County: Orange County

Applicant Organization: City of Anaheim

Applicant Name: Rafael Contreras

Waterboard Staff: MKB

Brief Description of Project:

The City proposes to widen Orangewood Avenue from a four~~l~~ane roadway to a six~~l~~ane divided facility to provide expanded vehicle, bicycle, and pedestrian access. The project would incorporate an additional through lane in each direction of travel through the project site boundaries. In order to widen the roadway, the project would widen the existing Orangewood Avenue bridge structure over the Santa Ana River.
