

## **Notice of Section 401 Application Reception**

**File Number:** 332021-08

**Project Name:** All American Asphalt Corona Quarry (General WDR)

**Date Application Date Posted:** 5/11/2021

**Received:** 4/21/2021

**Project City:** Corona

**Project County:** Riverside

**Applicant Organization:** TMDR, LLC

**Applicant Name:** Timothy Ballon

**Waterboard Staff:** NP

### **Brief Description of Project:**

Project Description: The All American Asphalt Corona Quarry is an existing rock quarry, that is proposing to expand east (included in permit boundaries) into a delineated ephemeral stream to continue surface mining activities.

Project Activities: Operations include extraction and processing of native rock for production of asphaltic grade construction aggregates. The Project is anticipating discharging rock material from the area as a result of extraction activities.
