

Notice of Section 401 Application Reception

File Number: 332021-12

Project Name: Line L2001W-D Badlands Hydrotests (General WDR)

Date Application Posted: 7/15/2021

Received: 7/02/2021

Project City: Moreno Valley

Project County: Riverside

Applicant Organization: Southern California Gas Company

Applicant Name: Laura Hoffman

Waterboard Staff: MAZ

Brief Description of Project:

Project Description: SoCalGas' Pipeline Safety Enhancement Program (PSEP) Project Line 2001W-D-Badlands (Project) includes the hydrostatic testing of approximately 6.03 miles of 30-inch-diameter pipe along L2001W-D.

Project Activities: Hydrostatic testing of approximately 6.03 miles of 30-inch-diameter pipe along L2001W-D; seven hydrostatic tests will be completed. Temporary Project impacts to jurisdictional waters are expected to occur at five locations along McGehee Drive. McGehee Drive is a two-mile access road located in the western portion of the Project, northeast of Gilman Springs Road.
