Project City: Chino

Project County: San Bernardino

Applicant Organization: Chino City

Applicant Name: Maria Fraser

Waterboard Staff: MZ

Brief Description of Project:

The purpose of the proposed project is to provide an additional link to SR-71 from SR-83 (Euclid Avenue) to accommodate existing and future traffic demand in the Cities of Chino and Chino Hills, consistent with the Cities' Circulation Elements. In addition, the proposed project would elevate Pine Avenue so that it would be above the 50-year flood for the Prado Basin and the 100-year flood for Chino Creek and Cypress Channel.

Project Activities: The City of Chino, in coordination with the California Department of Transportation (Caltrans), proposes to extend Pine Avenue from State Route 71 (SR-71) eastward to El Prado Road as an urban four-lane arterial and to widen Pine Avenue to a four-lane arterial from El Prado Road to Euclid Avenue (SR-83) in the Cities of Chino and Chino Hills.
