### **Brief Description of Project:**

**Project Description:** The construction of Summerhill Drive from its existing terminus north of Ponte Russo to its proposed terminus at Greenwald Avenue would provide secondary emergency fire access to the Tuscany South Development and would meet requirements of the Tuscany Hills Specific Plan.

**Project Activities:** The Project consists of the extension of Summerhill Drive from its existing terminus north of Ponte Russo to its proposed terminus at Greenwald Avenue, which is necessary to provide secondary fire access to the Tuscany South Development in compliance with the State of California Fire Code, Appendix D-107.1.

Additionally, the extension of Summerhill Drive would comply with the requirements contained in the Tuscany Hills Specific Plan. The road extension would cover approximately three-quarters of a mile. The roadway would consist of a 14-foot wide median with four, 11-foot wide travel lanes, two 6-foot wide bike lanes, and a 5 to 10-foot wide sidewalk and transition zone.
