

Santa Ana Regional Water Quality Control Board

August 2025

Dear Owner/Occupant:

The Santa Ana Regional Water Quality Control Board (Santa Ana Water Board) will be hosting a combination in-person and virtual community meeting to update residents on the status of the environmental activities associated with the former Ford Aeronutronics facility.

When:	Wednesday, September 17, 2025, 5:30 – 7:00 PM
Where:	Civic Center Community Room 100 Civic Center Drive, Newport Beach, CA 92660
Watch Online:	https://tinyurl.com/FordNBYouTube

The meeting will provide an update on recent environmental investigations, mitigation and remediation implementation, and a project schedule with near and long-term anticipated activities that may affect your community. Subject matter experts from the Santa Ana Water Board, the Office of Environmental Health & Hazard Assessment, and WSP (representing Ford Motor Company) will be available to address questions. You are welcome to attend this meeting in-person or watch online via a YouTube livestream. If you are watching online, you will still be able to provide questions and comments. Meeting details are provided below.

For those not attending in person, documents about key concepts that will be discussed during the community meeting are available online at: https://geotracker.waterboards.ca.gov/profile_report?global_id=SL188023848 or at www.fordnbfacts.com/communityoutreach. We can also provide advance copies of the documents via email. If you are interested in receiving documents in advance or have questions regarding this meeting, please contact me at (951) 782-4381 or Jessica.Law@waterboards.ca.gov. We look forward to seeing you.

Kind Regards,

Jessica Law
