 documentation, your request for reconsideration application will be considered incomplete and will be returned. Include all supporting documentation you wish the State Water Board to consider when reviewing your request. All information submitted with requests for reconsideration is subject to verification. 1. UST system(s) is permanently closed. (DOCUMENTATION IS REQUIRED.) 2. UST system(s) is exempt from regulation, according to Section 25281(x)(1)(A)-(D) of the Health and Safety Code, or Section 2621 of Title 23 of the California Code of Regulations. For example, certain farm tanks and heating oil tanks are exempt. (DOCUMENTATION IS REQUIRED.) 3. Closest component of UST system(s) is greater than 1,000 feet from well head of any public drinking water well. Check applicable reason(s): If the request for reconsideration is based on evidence that the UST system in question is greater than 1,000 feet from a public drinking water well, include a demonstration that the well head is more than 1,000 feet from the closest component of the UST system. (DOCUMENTATION IS REQUIRED.) 4. UST facility incorrectly located in Geotracker database. 4. Other(explain):
