NOTICE OF VACATED STATUS CONFERENCE

on the petitions for change filed by

Santa Clara Valley Water District

for Licenses 6943 (A005653), 11791 (A005654),
2205 (A007141), 2206 (A007142), 2207 (A007143), 2208 (A008098),
2209 (A008099), 6944 (A008387), 2837 (A009455), and 5729 (A0011751).

The AHO has received the joint status conference statement submitted by Santa Clara Valley Water District, California Department of Fish & Wildlife, California Trout, Inc., Northern California Council of Fly Fishers International, and San Francisco Baykeeper. Based on the joint status conference statement, **the status conference scheduled for May 23, 2025, at 9:00 am is hereby vacated.**

The AHO has reviewed the parties' request for a three month continuance and declines to grant the continuance at this time. The AHO will re-entertain a joint request to continue the hearing date after the parties have completed at least two joint mediation sessions that include San Francisco Baykeeper. Any further request for a continuance should make a detailed and concrete showing as to how and why a continuance of the hearing schedule is likely to narrow or eliminate the need for a contested hearing. To the extent the parties are concerned about the resources needed to both mediate their disputes and prepare for a hearing in this matter, the parties and mediator may wish to expedite the mediation schedule.

Date: May 21, 2025
