

Violations with/without linked Enforcement Report Fact Sheet

Summary: User-specified criteria return a report by Region or County, which shows both violations linked to an enforcement action and violations with no enforcement action.

Using the Report (Navigation)

Location

This report is located on the Public Reports web site at http://www.waterboards.ca.gov/water_issues/programs/ciwqs/publicreports.shtml under the Violation Reports heading. The user can also type "CIWQS Public Reports" in the search box at the top right-hand corner of any Water Board page.

Search Criteria

The first criterion is a radio button and is not optional. You must select one and only one. The County option has a drop-down menu in which the user can select one county or all counties.

The other search criteria are optional. You may choose to use any, all, or none of the criteria. The default will return all of the records.

Agency Type and Program are drop-downs. The user can choose one and only one of each. To use a drop-down, click the upside down triangle on the right. A list of values will display and the user is only able to select one. The user may also to select a check box that will exclude violations linked to a federal agency.

Date boxes are "free text" and require the format MM/DD/YYYY (e.g., 01/08/2007 for January 8, 2007). The user can click on the calendar icon on the right to select a value with the mouse rather than typing it. The default searches for violations that occurred in the current calendar year.

The final gray button, which is called "Generate Report," starts the query.

Hyperlinks

At the Violation Report Summary level, which is the first layer of information displayed, the user has the option of a printer friendly version or downloading the report into Excel. By clicking the "Refine Search" hyperlink, the user can go back to the search screen where previously chosen criteria are saved.

Columns can be sorted by clicking on the column header hyperlink. Clicking on the same heading twice will sort in reverse.

From the Violations With/Without Enforcement Report Summary level, the user can drill down to a list of facilities by clicking on numbers under the following headers: "Violations Tied to Enforcement Actions," "Violations with no Enforcement Actions," and "Priority Violations with no Enforcement Actions." This page also displays percentages of total violations and total priority violations tied to enforcement actions, and with no enforcement actions.

From the list of facilities tied to enforcement actions, the user can link to a list of

formal and informal enforcement actions for each facility and the number of violations linked to those formal and informal actions. Clicking on the links “Total Formal Enforcement Actions” or “Total Informal Enforcement Actions” takes the user to a list with violation ID, violation type, violation occurrence date, violation status, and the type and effective date of the enforcement action.

From here, the user can return to the Violation Summary page or the previous Region/County drill down page.

The list of facilities with no enforcement actions displays the facility, organization, and number of violations. From this page, the user can drill down to the violations for a specific facility. The facility page displays the violation type, the date of violation, the violation status, and the violation ID.

At the bottom of the pages, there is a link back to the top of the page and the link “Back to the Main Menu” takes the user to the Public Reports web page.

How current is the data?

This report is on a nightly refresh schedule, which means that changes made in CIWQS will not be reflected until the next day. Reports are constructed from all entered data as of the close of business the previous day. If the refresh fails, the data in the report will be stale. Please notify the CIWQS Help Center (866-792-4977 or ciwqs@waterboards.ca.gov) if you believe a report has not been refreshed.

Note: Regional Boards are in the process of entering backlogged data. As a result, data may be incomplete.
