

DRAFT
State Water Resources Control Board and
California Integrated Waste Management Board
Joint Public Workshop:

Composting Waiver Concepts

AGENDA

- 10:00 – 10:15 – Introduction and Opening Remarks:
- Ms. Dorothy Rice, Executive Director, State Water Board
 - Mr. Mark Leary, Executive Director, CIWMB
- 10:15 – 11:00 – Regulatory Framework:
- State Water Board staff
 - CIWMB staff
- 11:00 – 12:30 – Workshop:
- Presentations: Stakeholders
 - Public Comments
- 12:30 – 1:15 – Lunch Break - If presentations/comments continue beyond 12:30 p.m
- 1:15 – – Workshop - continued if needed
- Public Comments

Focus for Workshop Stakeholder Presentations and Public Comments:

- What are the water quality impacts from composting facilities? What is the role of operations, feedstock, etc.?
- How can potential water quality impacts be addressed?
- What water quality protection measures are appropriate?
- In what ways can both diversion goals and protection of water quality be accomplished?

NOTE: To ensure a productive and efficient workshop in which all participants have an opportunity to participate, oral presentations will be limited to 10 minutes.
