The background of the slide is a photograph of the California State Capitol building in Sacramento, California, taken at dusk. The building's dome and classical architecture are illuminated from within, and the sky is a deep twilight blue. In the foreground, a tall, slender Christmas tree is decorated with numerous colorful lights in shades of red, green, blue, and purple. The tree stands on the steps leading up to the building's entrance. Large, dark evergreen trees are visible on either side of the building, framing the scene.

# Urban Water Conservation Report for December 2017

**Informational Item 8**

**February 6, 2018**

# December 2017 URBAN USE

2.9%

WATER SAVED

compared to 2013

91% of suppliers reporting.

3.7 billion gallons saved  
(11,349 acre-feet).

Enough for 57,000 people.

# REPORTING Not as Strong

## Water Production Up

# ANNUAL AVERAGE

**December 2017**  
**78 RGPCD**  
 20% more than last year

# California urban water production

# Next STEPS

## Encourage continued reporting

Active legislation contains language on mandatory monthly reporting

## Prohibit wasteful water use practices

**Hearing on February 20; comments due February 14:**

[https://www.waterboards.ca.gov/water\\_issues/programs/conservation\\_portal/regs/wasteful\\_water\\_uses.html](https://www.waterboards.ca.gov/water_issues/programs/conservation_portal/regs/wasteful_water_uses.html)

## Monitor winter precipitation
