Song Her, Clerk of the Board  
State Water Resources Control Board  
P.O. Box 100  
Sacramento, CA 95812-0100

Dear Song Her, Clerk of the Board,

I hope you will provide the maximum protection possible for the last remaining wetlands in California. With less than 10% left, anything less is handing too much to those who profit from their destruction. The true cost of cumulative impacts is often given short shrift in CEQA documents, as I've seen as a Planning Commissioner. Please consider the big picture.

Sincerely,  
Janet Thew  
5572 St Francis Cir W  
Loomis, CA 95650
