

SUSTAINABLE GROUNDWATER MANAGEMENT ACT

Join Us for In-Person GEARS Office Hours

Need help submitting your groundwater extraction report to the Groundwater Extraction Annual Reporting System (GEARS)? The State Water Resources Control Board (State Water Board) will host office hours to assist groundwater users in the Tulare Lake and Tule subbasins with reporting pumping information to the State Water Board.

Staff will be available in person to walk you through the GEARS platform one-on-one. Stop by any of the sessions below. No appointment is required, though registering helps us plan ahead.
