This information is being collected by the State Water Resources Control Board, Groundwater Management Unit, for groundwater extraction reporting required by Part 5.2 of Division 2 of the Water Code. The report must state the name, address, phone number, and an e-mail address of the person who extracted groundwater. (Wat. Code, s. 5203; Cal. Code Regs., tit. 23, s. 1032.) Failure to include this information may result in rejection of the report. You may choose to provide a Post Office box mailing address on the form instead of your home address. This form shall become a public record upon receipt by the State Water Board, and may be disclosed pursuant to a request made under the Public Records Act.

Please direct questions regarding the maintenance of your personal information in the records of the State Water Board to Samuel Boland-Brien, Groundwater Management Program of the State Water Board at phone number 916-322-6508. You have the right to inspect personal information about yourself in the records maintained by the State Water Board.
