# ASBS Grants

PROVIDING INFORMATION ABOUT ASBS PROJECTS FUNDED BY PROPOSITION 84 GRANTS

## Areas of Special Biological Significance (ASBS) Grant Program

This program provides \$32,025,000 in Prop 84 bond money to help local public agencies comply with the discharge prohibition into ASBS contained in the California Ocean Plan. The State Water Board has already approved a list of Projects recommended for Prop 84 ASBS funding.

### Project Status

## Successful Grant Execution Tips

- Follow the directions in the cover letter exactly.
- Please do not stamp the signed pages with duplicate or original
- Only return the four signed signature pages (sign 4 copies of page 2)
- Make sure the resolution is correct
- Make sure the authorized person identified in the resolution signs the agreement
- Respond in a timely fashion
- If you have questions or concerns, contact the program Analyst that is stated on the last paragraph of the letter
