SWRCB DIVISION OR REGION	PROJECT TITLE	PROJECT DESCRIPTION	PROJECT TYPE	AMOUNT APPROVED	APPROVED DATE
DFA	Drinking Water to Severely Disadvantaged Communities	Allocation to the California Department of Public Health to provide interim replacement drinking water for Small Disadvantage Community Water Systems that serve severely disadvantaged communities.	N/A	\$2,000,000	10/16/12
DWQ	Responsible Party Searches Contract	Conduct thorough and complete responsible party searches at sites known to contain pollution and contamination from anthropogenic sources.	STUDY	\$99,850	05/11/12
Region 2	California Conservation Corps	Federal/State Watershed Stewards Project	CLEAN UP	\$16,500	08/14/12
Region 4	San Gabriel Basin	The former J. A. Bozung Company was a metal fabricating operation engaged in the manufacture of tubular metal products. The primary contaminants are volatile organic compounds and a semi-volatile organic compound called 1,4- dioxane that posed a threat to down-gradient municipal drinking water wells in U.S. Environmental Protection Agency's South El Monte (Superfund) Operable Unit. The San Gabriel Basin Water Quality Authority developed a plan and has assisted in remediating the groundwater to avert the threat from impacting these wells. Funds are used to complete the cleanup project.	CLEAN UP	\$955,646	12/04/12
Region 4	Weber Aircraft Site & Vicinities (Lyondell Settlement)	Complete remaining investigation and cleanup activities related to the Weber Aircraft Site northeast of Bob Hope Airport in Burbank.	CLEAN UP	\$3,500,000	06/05/12
Region 5	Riverdale Community Well	To hire consultant to prepare feasibility study to determine a long-term solution for protection of the Riverdale community drinking water supply.	STUDY	\$37,300	02/23/12

SWRCB DIVISION OR REGION	PROJECT TITLE	PROJECT DESCRIPTION	PROJECT TYPE	AMOUNT APPROVED	APPROVED DATE
Region 8	Lytle Creek Project	Funds to cleanup 100 gallon diesel spill in the Lytle Creek to prevent an environmental impact on the Santa Ana River.	CLEAN UP	\$50,000	12/31/12
Region 9	San Elijo Lagoon	Conduct small-scale cleanup and removal of marine debris in the San Elijo Lagoon.	CLEAN UP	\$18,874	07/18/12
Region 9	A-8 Anchorage Phase 3, San Diego Bay	The third and final phase of the Marine debris removal at the A-8 anchorage that will remove significant amount of pollutants from the San Diego Bay.	CLEAN UP	\$99,500	12/04/12
			<b>Total</b>	<b>\$7,871,021</b>
