If an audit is called for, the audit must be performed by a certified public accountant independent of the Recipient and at the cost of the Recipient. The audit must be in the form required by the Division. The Recipient must return, or ensure the return of, any audit disallowances within 30 days.

7. BONDING. Where construction contractors are used, the Recipient must not authorize construction to begin until each contractor has furnished a performance bond in favor of the Recipient in the following amounts: faithful performance (100%) of contract value; labor and materials (100%) of contract value. This requirement shall not apply to any contract for less than $25,000.00.

8. COMPETITIVE BIDDING. Recipient must adhere to any applicable State law or local ordinance for competitive bidding and applicable labor laws. If Recipient is a private entity, any construction contracts related in any way to the Project must be let by competitive bid procedures which assure award of such contracts to the lowest responsive and responsible bidders. Recipient must not award a construction contract until a summary of bids and identification of the selected lowest responsible bidder is submitted to and approved in writing by the Division. Recipient must provide a full explanation if Recipient is proposing to award a construction contract to anyone other than the lowest responsible bidder.

9. COMPLIANCE WITH APPLICABLE LAWS, RULES, AND REQUIREMENTS. 11. CONFLICT OF INTEREST. The Recipient certifies that it, its owners, officers, directors, agents, representatives, and employees are in compliance with applicable State and federal conflict of interest laws and will remain in compliance for the useful life of the Project. Any service provider or contractor with which the Recipient contracts must not have any role or relationship with the Recipient, that, in effect, substantially limits the Recipient’s ability to exercise its rights, including cancellation rights, under the contract, based on all the facts and circumstances. Public entities are required to have adopted conflict of interest codes and may be required to provide documentation of those codes to the Division.

12. DATA MANAGEMENT. The Recipient will undertake appropriate data management activities so that Project data can be incorporated into statewide data systems.

The Recipient shall provide that every employee who works on the Project receives a copy of the Recipient’s drug-free
workplace policy statement and agrees to abide by the terms of the statement as a condition of employment on the Project.

15. ENVIRONMENTAL CLEARANCE. No work that is subject to California Environmental Quality Act (CEQA) or the National Environmental Policy Act (NEPA) may proceed under this Agreement until the State Water Board has provided approval to proceed. Upon receipt and review of the Recipient’s environmental documents, the State Water Board shall make the appropriate environmental findings before determining whether to approve construction or implementation funding for the Project under this Agreement. Providing approval for such construction or implementation funding is fully discretionary. The State Water Board may require changes in the scope of work or additional mitigation as a condition to providing construction or implementation funding under this Agreement. Recipient shall not perform any work subject to CEQA and/or NEPA before the State Water Board completes its environmental review and specifies any changes in scope or additional mitigation that may be required. Proceeding with work subject to CEQA and/or NEPA without approval by the State Water Board shall constitute a breach of a material provision of this Agreement. If this Project includes modification of a river or stream channel, the Recipient must fully mitigate environmental impacts resulting from the modification. The Recipient must provide documentation that the environmental impacts resulting from such modification will be fully mitigated considering all of the impacts of the modification and any mitigation, environmental enhancement, and environmental benefit resulting from the Project, and whether, on balance, any environmental enhancement or benefit equals or exceeds any negative environmental impacts of the Project.

The Recipient agrees to ensure that its final Reimbursement Request is received by the Division no later than the Final Reimbursement Request Date, unless prior approval has been granted by the Division. If the final Reimbursement Request is not received timely, the undisbursed balance of this Agreement may be deobligated.

17. FRAUD AND MISUSE OF PUBLIC FUNDS. All requests for disbursement must be accurate and signed by the Recipient or its Authorized Representative under penalty of perjury. All costs submitted pursuant to this Agreement must only be for the work or tasks set forth in this Agreement. The Recipient must not submit any invoice containing costs that are ineligible or have been reimbursed from other funding sources unless required and specifically noted as such (i.e., match costs). Any costs for which the Recipient is seeking reimbursement shall not be reimbursed from any other source. Double or multiple billing for time, services, or any other cost is improper and will not be compensated. Any suspected occurrences of fraud, forgery, embezzlement, theft, or any other misuse of public funds may result in suspension of disbursements and, notwithstanding any other section in this Agreement, the termination of this Agreement requiring the immediate repayment of all funds disbursed hereunder. Additionally, the Deputy Director of the Division may request an audit and refer the matter to the Attorney
General’s Office or the appropriate district attorney’s office for criminal prosecution or the imposition of civil liability.

18. FUNDING CONTINGENCY. The State Water Board’s disbursement of funds hereunder is contingent on the Recipient’s compliance with the terms and conditions of this Agreement. The State Water Board’s obligation to disburse funds is contingent upon the availability of sufficient funds to permit the disbursements provided for herein. If sufficient funds are not available for any reason, including but not limited to failure of the federal or State government to appropriate funds necessary for disbursement of funds, the State Water Board shall not be obligated to make any disbursements to the Recipient under this Agreement. If this Agreement’s funding for any fiscal year expires due to reversion or is reduced, substantially delayed, or deleted by the Budget Act, by Executive Order, or by order or action of the Department of Finance, the State Water Board has the option to either cancel this Agreement with no liability accruing to the State Water Board, or offer an amendment to the Recipient to reflect the reduced amount. This provision shall be construed as a condition precedent to the obligation of the State Water Board to make any disbursements under this Agreement. Nothing in this Agreement shall be construed to provide the Recipient with a right of priority for disbursement over any other entity. If any disbursements due the Recipient under this Agreement are deferred because sufficient funds are unavailable, it is the intention of the State Water Board that such disbursement will be made to the Recipient when sufficient funds do become available, but this intention is not binding.

19. GOVERNING LAW. This Agreement is governed by and shall be interpreted in accordance with the laws of the State of California.

20. RECIPIENT’S SHARE. The Recipient agrees that it will provide for the payment of its full share, if any share is required, of Project Costs and that all costs connected with the Project will be timely paid by the Recipient.

21. INDEMNIFICATION AND STATE REVIEWS. The parties agree that review or approval of Project plans and specifications by the State Water Board is for administrative purposes only, including conformity with application and eligibility criteria, and expressly not for the purposes of design defect review or construction feasibility, and does not relieve the Recipient of its responsibility to properly plan, design, construct, operate, and maintain the Project. To the extent permitted by law, the Recipient agrees to indemnify, defend, and hold harmless the State Water Board and any trustee, and their officers, employees, and agents for the Bonds, if any (collectively, “Indemnified Persons”), against any loss or liability arising out of any claim or action brought against any Indemnified Persons from and against any and all losses, claims, damages, liabilities, or expenses, of every conceivable kind, character, and nature whatsoever arising out of, resulting from, or in any way connected with (1) the Project or the conditions, occupancy, use, possession, conduct, or management of, work done in or about, or the planning, design, acquisition, installation, or construction, of
the Project or any part thereof; (2) the carrying out of any of the transactions contemplated by this Agreement or any related document; (3) any violation of any applicable law, rule or regulation, any environmental law (including, without limitation, the Federal Comprehensive Environmental Response, Compensation and Liability Act, the Resource Conservation and Recovery Act, the California Hazardous Substance Account Act, the Federal Water Pollution Control Act, the Clean Air Act, the Toxic Substances Control Act, the Occupational Safety and Health Act, the Safe Drinking Water Act, the California Hazardous Waste Control Law, and California Water Code Section 13304, and any successors to said laws), rule or regulation or the release of any toxic substance on or near the Project; or (4) any untrue statement or alleged untrue statement of any material fact or omission or alleged omission to state a material fact necessary to make the statements required to be stated therein, in light of the circumstances under which they were made, not misleading with respect to any information provided by the Recipient for use in any disclosure document utilized in connection with any of the transactions contemplated by this Agreement, except those arising from the gross negligence or willful misconduct of the Indemnified Persons. The Recipient must also provide for the defense and indemnification of the Indemnified Parties in any contractual provision extending indemnity to the Recipient in any contract let for the performance of any work under this Agreement, and must cause the Indemnified Parties to be included within the scope of any provision for the indemnification and defense of the Recipient in any contract or subcontract. To the fullest extent permitted by law, the Recipient agrees to pay and discharge any judgment or award entered or made against Indemnified Persons with respect to any such claim or action, and any settlement, compromise or other voluntary resolution. The provisions of this section survive the term of this Agreement.

22. INDEPENDENT ACTOR. The Recipient, and its agents and employees, if any, in the performance of this Agreement, shall act in an independent capacity and not as officers, employees, or agents of the State Water Board.

23. INSPECTION. Throughout the useful life of the Project, the State Water Board shall have the right to inspect the Project area to ascertain compliance with this Agreement.

24. INTEGRATION. This Agreement constitutes the complete and final agreement between the parties. No oral or written understanding or agreement not incorporated in this Agreement shall be binding on either party.

25. LIENS. The Recipient must not make any pledge of or place any lien on the Project or Project assets except upon consent of the Division.

If Project Funds are used to acquire or improve real property, the Recipient must include a covenant of nondiscrimination running with the land in the instrument effecting or recording the transfer of such real property. The Recipient must comply with the federal American with Disabilities Act of 1990 and implementing regulations as required by Government Code section 11135(b). The Recipient’s obligations under this section shall survive the term of this Agreement. During the performance of this Agreement, Recipient and its contractors and subcontractors must not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, sexual orientation, physical disability (including HIV and AIDS), mental disability, medical condition (cancer), age (over 40), marital status, denial of family care leave, or genetic information, gender, gender identity, gender expression, or military and veteran status. The Recipient, its contractors, and subcontractors must ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. The Recipient, its contractors, and subcontractors must comply with the provisions of the Fair Employment and Housing Act and the applicable regulations promulgated thereunder. (Gov. Code, §12990, subds. (a)-(f) et seq.; Cal. Code Regs., tit. 2, § 7285 et seq.) Such regulations are incorporated into this Agreement by reference and made a part hereof as if set forth in full. The Recipient, its contractors, and subcontractors must give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. The Recipient must include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.

27. NO THIRD-PARTY RIGHTS. This Agreement creates no rights in and grants no remedies to any third party as a beneficiary of this Agreement.

28. NO OBLIGATION OF THE STATE. Any obligation of the State Water Board herein contained shall not be an obligation, debt, or liability of the State and any such obligation shall be payable solely out of the moneys encumbered pursuant to this Agreement.

29. NON-WAIVER. Nothing in this Agreement shall affect or impair the Recipient’s obligation to undertake work under this Agreement or shall affect or impair the right of the State Water Board to bring suit to enforce such work. No delay or omission of the State Water Board in the exercise of any right arising upon an Event of Default shall impair any such right or be construed to be a waiver of any such Event of Default. The State Water Board may exercise from time to time and as often as shall be deemed expedient by the State Water Board, any remedy or right provided by law or pursuant to this Agreement. Any waiver of
30. OTHER FUNDING SOURCES; INCOME RESTRICTIONS. If funding for Project Costs is made available to the Recipient from sources other than this Agreement, the Recipient must notify the Division. The Recipient may retain such funding up to an amount which equals the Recipient's contribution to Project costs. To the extent allowed by requirements of other funding sources, excess funding must be remitted to the State Water Board. The Recipient agrees that any refunds, rebates, credits, or other amounts (including any interest thereon) accruing to or received by the Recipient as related to this Agreement must be paid by the Recipient to the State Water Board, to the extent that they are properly allocable to costs for which the Recipient has been reimbursed by the State Water Board under this Agreement.

Recipient must procure all permits, licenses and other authorizations necessary to accomplish the work contemplated in this Agreement, pay all charges and fees, and give all notices necessary and incidental to the due and lawful prosecution of the work. Signed copies of any such permits or licenses must be submitted to the Division before any construction or implementation begins.

Any contractors, outside associates, or consultants required by the Recipient in connection with the services covered by this Agreement shall be limited to such individuals or firms as were specifically identified and agreed to during negotiations for this Agreement, or as are specifically authorized by the State Water Board’s Project Manager during the performance of this Agreement. Any substitutions in, or additions to, such contractors, associates, or consultants, shall be subject to the prior written approval of the State Water Board’s Project Manager.

32. PREVAILING WAGES. If applicable, the Recipient agrees to be bound by all applicable provisions of State Labor Code regarding prevailing wages. If applicable, the Recipient must monitor all agreements subject to reimbursement from this Agreement to ensure that the applicable prevailing wage provisions of the State Labor Code are being met. The Recipient must allow and must require its contractors to allow interviews during normal business hours of any employees who might reasonably have information related to such records. The Recipient agrees to include a similar duty regarding audit, interviews, and records retention in any contract or subcontract related to the performance of this Agreement. The provisions of this section survive the term of this Agreement.

36. RELATED LITIGATION. Under no circumstances may the Recipient use funds from any reimbursement under this Agreement to pay costs associated with any litigation the Recipient pursues against the State Water Board or any Regional Water Board. Regardless of the outcome of any such litigation, and notwithstanding any conflicting language in this Agreement, the Recipient agrees to complete the Project funded by this Agreement or to repay all of the disbursed funds plus interest.

37. REMEDIES. The State Water Board may enforce its rights under this Agreement by any judicial proceeding, whether at law or in equity. The State shall have the right to reproduce, publish, and use all such work, or any part thereof, in any manner and for any purposes whatsoever and to authorize others to do so. If any such work is copyrightable, the Recipient may copyright the same, except that, as to any work which is copyrighted by the Recipient, the State reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use such work, or any part thereof, and to authorize others to do so, and to receive electronic copies from the Recipient upon request.    a. the Recipient has received funds as a result of a material misrepresentation in the funding application or other submitted document; or
   b. upon violation by the Recipient of any material provision of this Agreement after such violation has been called to the attention of the Recipient and after failure of the Recipient to bring itself into compliance with the
provisions of this Agreement within a reasonable time as established by the State Water Board.

In the event of such termination, the Recipient agrees, upon demand, to immediately repay to the State Water Board an amount equal to the amount of Project Funds disbursed to the Recipient prior to such termination. In the event of termination, interest shall accrue on all amounts due at the highest legal rate of interest from the date that notice of termination is mailed to the Recipient to the date of full repayment by the Recipient.

44. TIMING. Time is of the essence. The Recipient must expeditiously proceed with and complete the Project. Failure to proceed according to the timelines set forth in this Agreement may require the Recipient to repay to the State Water Board all disbursed Project Funds.

45. TRAVEL AND PER DIEM. No work or travel outside the State of California is permitted under this Agreement unless the Division provides prior written authorization. No work or travel outside the United States of America is authorized. Failure to comply with this restriction may constitute an Event of Default and result in termination of this Agreement. 50. WAIVER AND RIGHTS OF THE STATE WATER BOARD. Any waiver of rights by the State Water Board with respect to a default or other matter arising under this Agreement at any time shall not be considered a waiver of rights with respect to any other default or matter.
